

Addendum to Supporting Statement
Internet Request for Replacement SSA-1099/1042S
20 CFR 401.45
OMB No. 0960-0583

Revision to the Information Collection:

SSA has added a link to the “Replace an SSA-1099/1042S” screen which allows users to block access to any online or telephone applications:

“If you want to prevent online and automated telephone access to your personal information, you can block access to your personal information.”
