FY 2008 Part A & MAI Allocations Report CHECKLIST

OMB No. 0915-xxxx Expiration Date:

~ Enter Name of Grantee Here ~

Please check the following before submitting your report!	Part A Award	MAI Grant Request / Award	Total
1 75% of your combined awards must be spent on core medical services. When reporting <i>Core Medical Services</i> allocations, the percentages for the <i>Part A Award</i> (Row 1, Column 1) and the <i>MAI Award</i> (Row 1, Column 2) do not necessarily need to be 75% as long as the COMBINED Total (Row 1, Column 3) meets the required minimum 75%. If the percentage to the right is less than 75%, you must adjust your allocations so that at least 75% of your combined award amounts (Part A Award + MAI Award) are allocated for Core Medical Services. The exception to this requirement is only for those grantees that requested, and were approved by HRSA, for an FY 2008 Part A Core Medical Services Waiver.			0.0%
2 You may not spend more than 5% or 3 million dollars (whichever is smaller) on clinical quality management. If either of these percentages is more than 5% or the amounts is more than \$3,000,000 you must go back and adjust your report accordingly.	0.0%	0.0%	
3 You may not spend more than 10% on grantee administration. If either of these percentages is more than 10%, you must adjust your report accordingly.	0.0%	0.0%	
4 You must allocate your entire award. The total allocations in Section C (Row 5, Column 3) should equal the total amount of funds expected to be available as shown in Section B.
