

The Cross-Site Accountability Assessment of the Residential Treatment for Pregnant and Postpartum Women and Their Minor Children Program (PPW) (OMB No. 0930-0269) was approved from 1/10/08 through 01/31/2011.

SAMHSA awarded grant funding for 16 additional grantees under this Program for FY 2008. As with our other grantees, these 16 new grantee sites are required by their GFA to participate in the national evaluation. **NO changes** have been made to the national evaluation instruments or data collection protocol (as described in the Supporting Statement that received final OMB approval on 01/10/08).

Table 1 is the original summary burden table that includes the 8 grantees funded in FY 2006 (for which OMB approved). Table 2 summarizes the additional annualized burden estimates that are needed for the 16 FY 2008-funded grantees.
