(10) There is established within the Administration a small business and capital ownership development program (hereinafter referred to as the "Program") which shall provide assistance exclusively for small business concerns eligible to receive contracts pursuant to section 8(a) of this Act. The program, and all other services and activities authorized under section 7(j) and 8(a) of this Act, shall be managed by the Associate Administrator for Minority Small Business and Capital Ownership Development under the supervision of, and responsible to, the Administrator.

(A) The program shall—

(ii) provide for such other nonfinancial services as deemed necessary for the establishment, preservation, and growth of small business concerns participating in the Program, including but not limited to (I) loan packaging, (II) financial counseling, (III) accounting and bookkeeping assistance, (IV) marketing assistance, and (V) management assistance;

(iii) assist small business concerns participating in the Program to obtain equity and debt financing;

(iv) establish regular performance monitoring and reporting systems for small business concerns participating in the Program to assure compliance with their business plans;

(v) analyze and report the causes of success and failure of small business concerns participating in Program; and

(vi) provide assistance necessary to help small business concerns participating in the Program to procure surety bonds, with such assistance including, but not limited to (I) the preparation of application forms required to receive a surety bond, (II) special management and technical assistance designed to meet the specific needs of small business concerns participating in the Program and which have received or are applying to receive a surety bond, and (III) preparation of all forms necessary to receive a surety bond guarantee from the Administration pursuant to title IV, part B of the Small Business Investment Act of 1958.

(C) (i) A small business concern participating in any program or activity conducted under the authority of this paragraph or eligible for the award of contracts pursuant to section 8(a) on September 1, 1988, shall be permitted continued participation and eligibility in such program or activity for a period of time which is the greater of—

(I) 9 years less the number of years since the award of its first contract pursuant to section 8(a); or

(II) its original fixed program participation term (plus any extension thereof) assigned prior to the effective date of this paragraph plus eighteen months.

(ii) Nothing contained in this subparagraph shall be deemed to prevent the Administration from instituting a termination or graduation pursuant to subparagraph (F) or (H) for issues unrelated to the expiration of any time period limitation.

(D) (i) Promptly after certification under paragraph (11) a Program Participant shall submit a business plan (hereinafter referred to as the "plan") as described in clause (ii) of this subparagraph for review by the Business Opportunity Specialist assigned to assist such Program Participant. The plan may be a revision of a preliminary business plan submitted by the Program Participant or required by the Administration as a part of the application for certification under this section and shall be designed to result in the Program Participant eliminating the conditions or circumstances upon which the Administration determined eligibility pursuant to section 8(a)(6). Such plan, and subsequent modifications submitted under clause (iii) of this subparagraph, shall be approved by the business opportunity specialist prior to the Program Participant being eligible for award of a contract pursuant to section 8(a).

(ii) The plans submitted under this subparagraph shall include the following:

(I) An analysis of market potential, competitive environment, and other business analyses estimating the Program Participant's prospects for profitable operations during the term of program participation and after graduation.

(II) An analysis of the Program Participant's strengths and weaknesses with particular attention to correcting any financial, managerial, technical, or personnel conditions which are likely to impede the small business concern from receiving contracts other than those awarded under section 8(a).

(III) Specific targets, objectives, and goals, for the business development of the Program Participant during the next and succeeding years utilizing the results of the analyses conducted pursuant to subclauses (I) and (II).

(IV) A transition management plan outlining specific steps to assure profitable business operations after graduation (to be incorporated into the Program Participant's plan during the first year of the transitional stage of Program participation.

(V) Estimates of contract awards pursuant to section 8(a) and from other sources, which the Program Participant will require to meet the specific targets, objectives, and goals for the years covered by its plan. The estimates established shall be consistent with the provisions of subparagraph (I) and section 8(a).

(iii) Each Program Participant shall annually review its currently approved plan with its Business Opportunity Specialist and modify such plan as may be appropriate. Any modified plan shall be submitted to the Administration for approval. The currently approved plan shall be considered valid until such time as a modified plan is approved by the Business Opportunity Specialist. Annual reviews pertaining to years in the transitional stage of program participation shall require, as appropriate, a written verification that such Program Participant has complied with the requirements of subparagraph (I) relating to attaining business activity from sources other than contracts awarded pursuant to section 8(a).

(iv) Each Program Participant shall annually forecast its needs for contract awards under section 8(a) for the next program year and the succeeding program year during the review of its business plan, conducted pursuant to clause (iii). Such forecast shall be known as the section 8(a) contract support level and shall be included in the Program Participant's business plan. Such forecast shall include

(I) the aggregate dollar value of contract support to be sought on a noncompetitive basis under section 8(a), reflecting compliance with the requirements of subparagraph (I) relating to attaining business activity from sources other than contracts awarded pursuant to section 8(a),

(II) the types of contract opportunities being sought, identified by Standard Industrial Classification (SIC) Code or otherwise,

(III) an estimate of the dollar value of contract support to be sought on a competitive basis, and

(IV) such other information as may be requested by the Business Opportunity Specialist to provide effective business development assistance to the Program Participant.

(E) A small business concern participating in the program conducted under the authority of this paragraph and eligible for the award of contracts pursuant to section 8(a) shall be denied all such assistance if such concern—

(i) voluntarily elects not to continue participation;

(ii) completes the period of Program participation as prescribed by paragraph (15);

(iii) is terminated pursuant to a termination proceeding conducted in accordance with section 8(a)(9); or

(iv) is graduated pursuant to a graduation proceeding conducted in accordance with section 8(a)(9).

(F) For purposes of this section and section 8(a), the term "terminated" and the term "termination" means the total denial or suspension of assistance under this paragraph or under section 8(a) prior to the graduation of the participating small business concern or prior to the expiration of the maximum program participation term. An action for termination shall be based upon good cause, including —

(i) the failure by such concern to maintain its eligibility for Program participation;

(ii) the failure of the concern to engage in business practices that will promote its competitiveness within a reasonable period of time as evidenced by, among other indicators, a pattern of unjustified delinquent performance or terminations for default with respect to contracts awarded under the authority of section 8(a);

(iii) a demonstrated pattern of failing to make required submissions or responses to the Administration in a timely manner;

(iv) the willful violation of any rule or regulation of the Administration pertaining to material issues;

(v) the debarment of the concern or its disadvantaged owners by any agency pursuant to subpart 9.4 of title 48, Code of Federal Regulations (or any successor regulation); or

(vi) the conviction of the disadvantaged owner or an officer of the concern for any offense indicating a lack of business integrity including any conviction for embezzlement, theft, forgery, bribery, falsification or violation of section 16. For purposes of this clause, no termination action shall be taken with respect to a disadvantaged owner solely because of the conviction of an officer of the concern (who is other than a disadvantaged owner) unless such owner conspired with, abetted, or otherwise knowingly acquiesced in the activity or omission that was the basis of such officer's conviction.

(G) The Director of the Division may initiate a termination proceeding by recommending such action to the Associate Administrator for Minority Small Business and Capital Ownership Development. Whenever the Associate Administrator, or a designee of such officer, determines such termination is appropriate, within 15 days after making such a determination the Program Participant shall be provided a written notice of intent to terminate, specifying the reasons for such action. No Program Participant shall be terminated from the Program pursuant to subparagraph (F) without first being afforded an opportunity for a hearing in accordance with section 8(a)(9).

(H) For the purposes of sections 7(j) and 8(a) the term "graduated" or "graduation" means that the Program Participant is recognized as successfully completing the program by substantially achieving the targets, objectives, and goals contained in the concern's business plan thereby demonstrating its ability to compete in the marketplace without assistance under this section or section 8(a).

(I) (i) During the developmental stage of its participation in the Program, a Program Participant shall take all reasonable efforts within its control to attain the targets contained in its business plan for contracts awarded other than pursuant to section 8(a) (hereinafter referred to as "business activity targets."). Such efforts shall be made a part of the business plan and shall be sufficient in scope and duration to satisfy the Administration that the Program Participant will engage [sic] a reasonable marketing strategy that will maximize its potential to achieve its business activity targets.

(ii) During the transitional stage of the Program a Program Participant shall be subject to regulations regarding business activity targets that are promulgated by the Administration pursuant to clause (iii).

(iii) The regulations referred to in clause (ii) shall:

(I) establish business activity targets applicable to Program Participants during the fifth year and each succeeding year of Program Participation; such targets, for such period of time, shall reflect a reasonably consistent increase in contracts awarded other than pursuant to section 8(a), expressed as a percentage of total sales; when promulgating business activity targets the

Administration may establish modified targets for Program Participants that have participated in the Program for a period of longer than four years on the effective date of this subparagraph;

(II) require a Program Participant to attain its business activity targets;

(III) provide that, before the receipt of any contract to be awarded pursuant to section 8(a), the Program Participant (if it is in the transitional stage) must certify that it has complied with the regulations promulgated pursuant to subclause (II), or that it is in compliance with such remedial measures as may have been ordered pursuant to regulations issued under subclause (V);

(IV) require the Administration to review each Program Participant's performance regarding attainment of business activity targets during periodic reviews of such Participant's business plan; and

(V) authorize the Administration to take appropriate remedial measures with respect to a Program Participant that has failed to attain a required business activity target for the purpose of reducing such Participant's dependence on contracts awarded pursuant to section 8(a); such remedial actions may include, but are not limited to assisting the Program Participant to expand the dollar volume of its competitive business activity or limiting the dollar volume of contracts awarded to the Program Participant pursuant to section 8(a); except for actions that would constitute a termination, remedial measures taken pursuant to this subclause shall not be reviewable pursuant to section 8(a)(9).

(J) (i) The Administration shall conduct an evaluation of a Program Participant's eligibility for continued participation in the Program whenever it receives specific and credible information alleging that such Program Participant no longer meets the requirements for Program eligibility. Upon making a finding that a Program Participant is no longer eligible, the Administration shall initiate a termination proceeding in accordance with subparagraph (F). A Program Participant's eligibility for award of any contract under the authority of section 8(a) may be suspended pursuant to subpart 9.4 of title 48, Code of Federal Regulations (or any successor regulation).

(ii) (I) Except as authorized by subclause (II) or (III), no award shall be made pursuant to section 8(a) to other than a small business concern.

(II) In determining the size of a small business concern owned by a socially and economically disadvantaged Indian tribe (or a wholly owned business entity of such tribe), each firm's size shall be independently determined without regard to its affiliation with the tribe, any entity of the tribal government, or any other business enterprise owned by the tribe, unless the Administrator

determines that one or more such tribally owned business concerns have obtained, or are likely to obtain, a substantial unfair competitive advantage within an industry category.

### **Section 8(a) of the Small Business Act**

§ 8. (a) (1) It shall be the duty of the Administration and it is hereby empowered, whenever it determines such action is necessary or appropriate—

(A) to enter into contracts with the United States Government and any department, agency, or officer thereof having procurement powers obligating the Administration to furnish articles, equipment, supplies, services, or materials to the Government or to perform construction work for the Government. In any case in which the Administration certifies to any officer of the Government having procurement powers that the Administration is competent and responsible to perform any specific Government procurement contract to be let by any such officer, such officer shall be authorized in his discretion to let such procurement contract to the Administration upon such terms and conditions as may be agreed upon between the Administration and the procurement officer. Whenever the Administration and such procurement officer fail to agree, the matter shall be submitted for determination to the Secretary or the head of the appropriate department or agency by the Administrator. Not later than 5 days from the date the Administration is notified of a procurement officer's adverse decision, the Administration may notify the contracting officer of the intent to appeal such adverse decision, and within 15 days of such date the Administrator shall file a written request for a reconsideration of the adverse decision with the Secretary of the department or agency head. For the purposes of this subparagraph, a procurement officer's adverse decision includes a decision not to make available for award pursuant to this subsection a particular procurement requirement or the failure to agree on the terms and conditions of a contract to be awarded noncompetitively under the authority of this subsection. Upon receipt of the notice of intent to appeal, the Secretary of the department or the agency head shall suspend further action regarding the procurement until a written decision on the Administrator's request for reconsideration has been issued by such Secretary or agency head, unless such officer makes a written determination that urgent and compelling circumstances which significantly affect interests of the United States will not permit waiting for a reconsideration of the adverse decision. If the Administrator's request for reconsideration is denied, the Secretary of the department or agency head shall specify the reasons why the selected firm was determined to be incapable to perform the procurement requirement, and the findings supporting such determination, which shall be made a part of the contract file for the requirement. A contract may not be awarded under this subsection if the award of the contract would result in a cost to the awarding agency which exceeds a fair market price;

(B) to arrange for the performance of such procurement contracts by negotiating or otherwise letting subcontracts to socially and economically disadvantaged small business concerns for construction work, services, or the

manufacture, supply, assembly of such articles, equipment, supplies, materials, or parts thereof, or servicing or processing in connection therewith, or such management services as may be necessary to enable the Administration to perform such contracts;

(C) to make an award to a small business concern owned and controlled by socially and economically disadvantaged individuals which has completed its period of Program Participation as prescribed by section 7(j)(15), if—

(i) the contract will be awarded as a result of an offer (including price) submitted in response to a published solicitation relating to a competition conducted pursuant to subparagraph (D); and

(ii) the prospective contract awardee was a Program Participant eligible for award of the contract on the date specified for receipt of offers contained in the contract solicitation; and

(D) (i) A contract opportunity offered for award pursuant to this subsection shall be awarded on the basis of competition restricted to eligible Program Participants if—

(I) there is a reasonable expectation that at least two eligible Program Participants will submit offers and that award can be made at a fair market price, and

(II) the anticipated award price of the contract (including options) will exceed \$5,000,000 in the case of a contract opportunity assigned a standard industrial classification code for manufacturing and \$3,000,000 (including options) in the case of all other contract opportunities.

(ii) The Associate Administrator for Minority Small Business and Capital Ownership Development, on a nondelegable basis, is authorized to approve a request from an agency to award a contract opportunity under this subsection on the basis of a competition restricted to eligible Program Participants even if the anticipated award price is not expected to exceed the dollar amounts specified in clause (i)(II). Such approvals shall be granted only on a limited basis.

(2) Notwithstanding subsections (a) and (c) of the first section of the Act entitled "An Act requiring contracts for the construction, alteration, and repair of any public building or public work of the United States to be accompanied by a performance bond protecting the United States and by additional bond for the protection of persons furnishing material and labor for the construction, alteration, or repair of said public buildings or public works," approved August 24, 1935 (49 Stat. 793), no small business concern shall be required to provide any amount of any bond as a condition of receiving any subcontract under this subsection if the Administrator determines that such amount is inappropriate for such concern in performing such contract: Provided, That the Administrator shall exercise the authority granted by the paragraph only if—

(A) the Administration takes such measures as it deems appropriate for the protection of persons furnishing materials and labor to a small business receiving any benefit pursuant to this paragraph;

(B) the Administration assists, insofar as practicable, a small business receiving the benefits of this paragraph to develop, within a reasonable period of time, such financial and other capability as may be needed to obtain such bonds as the Administration may subsequently require for the successful completion of any program conducted under the authority of this subsection;

(C) the Administration finds that such small business is unable to obtain the requisite bond or bonds from a surety and that no surety is willing to issue such bond or bonds subject to the guarantee provisions of Title IV of the Small Business Investment Act of 1958; and

(D) the small business is determined to be a startup concern and such concern has not been participating in any program conducted under the authority of this subsection for a period exceeding one year.

The authority to waive bonds provided in this paragraph (2) may not be exercised after September 30, 1988.

(3) (A) Any Program Participant selected by the Administration to perform a contract to be let noncompetitively pursuant to this subsection shall, when practicable, participate in any negotiation of the terms and conditions of such contract.

(B) (i) For purposes of paragraph (1) a "fair market price" shall be determined by the agency offering the procurement requirement to the Administration, in accordance with clauses (ii) and (iii).

(ii) The estimate of a current fair market price for a new procurement requirement, or a requirement that does not have a satisfactory procurement history, shall be derived from a price or cost analysis. Such analysis may take into account prevailing market conditions, commercial prices for similar products or services, or data obtained from any other agency. Such analysis shall consider such cost or pricing data as may be timely submitted by the Administration.

(iii) The estimate of a current fair market price for a procurement requirement that has a satisfactory procurement history shall be based on recent award prices adjusted to insure comparability. Such adjustments shall take into account differences in quantities, performance times, plans, specifications, transportation costs, packaging and packing costs, labor and materials costs, overhead costs, and any other additional costs which may be deemed appropriate.

(C) An agency offering a procurement requirement for potential award pursuant to this subsection shall, upon the request of the Administration, promptly submit to the Administration a written statement detailing the method used by the agency to estimate the current fair market price for such contract, identifying the information, studies, analyses, and other data used by such agency. The agency's estimate of the current fair market price (and any supporting data furnished to the Administration) shall not be disclosed to any potential offeror (other than the Administration).

(D) A small business concern selected by the Administration to perform or negotiate a contract to be let pursuant to this subsection may request the Administration to protect the agency's estimate of the fair market price for such contract pursuant to paragraph (1)(A).

(4) (A) For purposes of this section, the term "socially and economically disadvantaged small business concern" means any small business concern which meets the requirements of subparagraph (B) and—

- (i) which is at least 51 per centum unconditionally owned by—
  - (I) one or more socially and economically disadvantaged individuals,
  - (II) an economically disadvantaged Indian tribe (or a wholly owned business entity of such tribe), or
  - (III) an economically disadvantaged Native Hawaiian organization, or
- (ii) in the case of any publicly owned business, at least 51 per centum of the stock of which is unconditionally owned by—
  - (I) one or more socially and economically disadvantaged individuals,
  - (II) an economically disadvantaged Indian tribe (or a wholly owned business entity of such tribe), or
  - (III) an economically disadvantaged Native Hawaiian organization.

(B) A small business concern meets the requirements of this subparagraph if the management and daily business operations of such small concern are controlled by one or more—

(i) socially and economically disadvantaged individuals described in subparagraph (A)(i)(I) or subparagraph (A)(ii)(I), or

(ii) members of an economically disadvantaged Indian tribe described in subparagraph (A)(i)(II) or subparagraph (A)(ii)(II) or

(iii) Native Hawaiian organizations described in subparagraph (A)(i)(III) or subparagraph (A)(ii)(III).

(C) Each Program Participant shall certify, on an annual basis, that it meets the requirements of this paragraph regarding ownership and control.

(5) Socially disadvantaged individuals are those who have been subjected to racial or ethnic prejudice or cultural bias because of their identity as a member of a group without regard to their individual qualities.

(6) (A) Economically disadvantaged individuals are those socially disadvantaged individuals whose ability to compete in the free enterprise system has been impaired due to diminished capital and credit opportunities as compared to others in the same business area who are not socially disadvantaged. In determining the degree of diminished credit and capital opportunities the Administration shall consider, but not be limited to, the assets and net worth of such socially disadvantaged individual. In determining the economic disadvantage of an Indian tribe, the Administration shall consider, where available, information such as the following: the per capita income of members of the tribe excluding judgment awards, the percentage of the local Indian population below the poverty level, and the tribe's access to capital markets.

(B) Each Program Participant shall annually submit to the Administration—

(i) a personal financial statement for each disadvantaged owner;

(ii) a record of all payments made by the Program Participant to each of its disadvantaged owners or to any person or entity affiliated with such owners; and

(iii) such other information as the Administration may deem necessary to make the determinations required by this paragraph.

(C) (i) Whenever, on the basis of information provided by a Program Participant pursuant to subparagraph (B) or otherwise, the Administration has reason to believe that the standards to establish economic

disadvantage pursuant to subparagraph (A) have not been met, the Administration shall conduct a review to determine whether such Program Participant and its disadvantaged owners continue to be impaired in their ability to compete in the free enterprise system due to diminished capital and credit opportunities when compared to other concerns in the same business area, which are not socially disadvantaged.

(ii) If the Administration determines, pursuant to such review, that a Program Participant and its disadvantaged owners are no longer economically disadvantaged for the purpose of receiving assistance under this subsection, the Program Participant shall be graduated pursuant to section 7(j)(10)(G) subject to the right to a hearing as provided for under paragraph (9).

(D) (i) Whenever, on the basis of information provided by a Program Participant pursuant to subparagraph (B) or otherwise, the Administration has reason to believe that the amount of funds or other assets withdrawn from a Program Participant for the personal benefit of its disadvantaged owners or any person or entity affiliated with such owners may have been unduly excessive, the Administration shall conduct a review to determine whether such withdrawal of funds or other assets was detrimental to the achievement of the targets, objectives, and goals contained in such Program Participant's business plan.

(ii) If the Administration determines, pursuant to such review, that funds or other assets have been withdrawn to the detriment of the Program Participant's business, the Administration shall—

(I) initiate a proceeding to terminate the Program Participant pursuant to section 7(j)(10)(F), subject to the right to a hearing under paragraph (9); or

(II) require an appropriate reinvestment of funds or other assets and such other steps as the Administration may deem necessary to ensure the protection of the concern.

(E) Whenever the Administration computes personal net worth for any purpose under this paragraph, it shall exclude from such computation—

(i) the value of investments that disadvantaged owners have in their concerns, except that such value shall be taken into account under this paragraph when comparing such concerns to other concerns in the same business area that are owned by other than socially disadvantaged persons;

(ii) the equity that disadvantaged owners have in their primary personal residences, except that any portion of such equity that is attributable to unduly excessive withdrawals from a Program Participant or a concern applying for program participation shall be taken into account.

(7) (A) No small business concern shall be deemed eligible for any assistance pursuant to this subsection unless the Administration determines that with contract, financial, technical, and management support the small business concern will be able to perform contracts which may be awarded to such concern under paragraph (1)(C) and has reasonable prospects for success in competing in the private sector.

(B) Limitations established by the Administration in its regulations and procedures restricting the award of contracts pursuant to this subsection to a limited number of standard industrial classification codes in an approved business plan shall not be applied in a manner that inhibits the logical business progression by a participating small business concern into areas of industrial endeavor where such concern has the potential for success.

(8) All determinations made pursuant to paragraph (5) with respect to whether a group has been subjected to prejudice or bias shall be made by the Administrator after consultation with the Associate Administrator for Minority Small Business and Capital Ownership Development. All other determinations made pursuant to paragraphs (4), (5), (6), and (7) shall be made by the Associate Administrator for Minority Small Business and Capital Ownership Development under the supervision of, and responsible to, the Administrator.

(9) (A) Subject to the provisions of subparagraph (E), the Administration, prior to taking any action described in subparagraph (B), shall provide the small business concern that is the subject of such action, an opportunity for a hearing on the record, in accordance with chapter 5 of title 5, United States Code.

(B) The actions referred to in subparagraph (A) are—

- (i) denial of program admission based upon a negative determination pursuant to paragraph (4), (5), or (6);
- (ii) a termination pursuant to section 7(j)(10) (F);
- (iii) a graduation pursuant to section 7(j)(10) (G); and
- (iv) the denial of a request to issue a waiver pursuant to paragraph (21)(B).

(C) The Administration's proposed action, in any proceeding conducted under the authority of this paragraph, shall be sustained unless it is found to be arbitrary, capricious, or contrary to law.

(D) A decision rendered pursuant to this paragraph shall be the final decision of the Administration and shall be binding upon the Administration and those within its employ.

(E) The adjudicator selected to preside over a proceeding conducted under the authority of this paragraph shall decline to accept jurisdiction over any matter that—

(i) does not, on its face, allege facts that, if proven to be true, would warrant reversal or modification of the Administration's position;

(ii) is untimely filed;

(iii) is not filed in accordance with the rules of procedure governing such proceedings; or

(iv) has been decided by or is the subject of an adjudication before a court of competent jurisdiction over such matters.

(F) Proceedings conducted pursuant to the authority of this paragraph shall be completed and a decision rendered, insofar as practicable, within ninety days after a petition for a hearing is filed with the adjudicating office.

(10) The Administration shall develop and implement an outreach program to inform and recruit small business concerns to apply for eligibility for assistance under this subsection. Such program shall make a sustained and substantial effort to solicit applications for certification from small business concerns located in areas of concentrated unemployment or underemployment or within labor surplus areas and within States having relatively few Program Participants and from small disadvantaged business concerns in industry categories that have not substantially participated in the award of contracts let under the authority of this subsection.

(11) To the maximum extent practicable, construction subcontracts awarded by the Administration pursuant to this subsection shall be awarded within the county or State where the work is to be performed.

(12) (A) The Administration shall require each concern eligible to receive subcontracts pursuant to this subsection to annually prepare and submit to the Administration a capability statement. Such statement shall briefly describe such concern's various contract performance capabilities and shall contain the name and telephone number of the Business Opportunity Specialist assigned such concern. The Administration shall separate such statements by those primarily dependent upon local contract support and those primarily requiring a national marketing effort. Statements primarily dependent upon local contract support shall be disseminated to appropriate buying activities in the marketing area of the concern. The remaining statements shall be

disseminated to the Directors of Small and Disadvantaged Business Utilization for the appropriate agencies who shall further distribute such statements to buying activities with such agencies that may purchase the types of items or services described on the capability statements.

(B) Contracting activities receiving capability statements shall, within 60 days after receipt, contact the relevant Business Opportunity Specialist to indicate the number, type and approximate dollar value of contract opportunities that such activities may be awarding over the succeeding 12-month period and which may be appropriate to consider for award to those concerns for which it has received capability statements.

(C) Each executive agency reporting to the Federal Procurement Data System contract actions with an aggregate value in excess of \$50,000,000 in fiscal year 1988, or in any succeeding fiscal year, shall prepare a forecast of expected contract opportunities or classes of contract opportunities for the next and succeeding fiscal years that small business concerns, including those owned and controlled by socially and economically disadvantaged individuals, are capable of performing. Such forecast shall be periodically revised during such year. To the extent such information is available, the agency forecasts shall specify:

(i) The approximate number of individual contract opportunities (and the number of opportunities within a class)

(ii) The approximate dollar value, or range of dollar values, for each contract opportunity or class of contract opportunities.

(iii) The anticipated time (by fiscal year quarter) for the issuance of a procurement request.

(iv) The activity responsible for the award and administration of the contract.

(D) The head of each executive agency subject to the provisions of subparagraph (C) shall within 10 days of completion furnish such forecasts to—

(i) the Director of the Office of Small and Disadvantaged Business Utilization established pursuant to section 15(k) for such agency; and

(ii) the Administrator.

(E) The information reported pursuant to subparagraph (D) may be limited to classes of items and services for which there are substantial annual purchases.

(F) Such forecasts shall be available to small business concerns.

(13) For purposes of this subsection, the term "Indian tribe" means any Indian tribe, band, nation, or other organized group or community of Indians, including any Alaska Native village or regional or village corporation (within the meaning of the Alaska Native Claims Settlement Act) which—

(A) is recognized as eligible for the special programs and services provided by the United States to Indians because of their status as Indians, or

(B) is recognized as such by the State in which such tribe, band, nation, group, or community resides.

(14) (A) A concern may not be awarded a contract under this subsection as a small business concern unless the concern agrees that—

(i) in the case of a contract for services (except construction), at least 50 percent of the cost of contract performance incurred for personnel shall be expended for employees of the concern; and

(ii) in the case of a contract for procurement of supplies (other than procurement from a regular dealer in such supplies), the concern will perform work for at least 50 percent of the cost of manufacturing the supplies (not including the cost of materials).

(B) The Administrator may change the percentage under clause (i) or (ii) of subparagraph (A) if the Administrator determines that such change is necessary to reflect conventional industry practices among business concerns that are below the numerical size standard for businesses in that industry category. A percentage established under the preceding sentence may not differ from a percentage established under section 15(o).

(C) The Administration shall establish, through public rulemaking, requirements similar to those specified in subparagraph (A) to be applicable to contracts for general and specialty construction and to contracts for any other industry category not otherwise subject to the requirements of such subparagraph. The percentage applicable to any such requirement shall be determined in accordance with subparagraph (B), except that such a percentage may not differ from a percentage established under section 15(o) for the same industry category.

(15) For purposes of this subsection, the term "Native Hawaiian Organization" means any community service organization serving Native Hawaiians in the State of Hawaii which—

(A) is a nonprofit corporation that has filed articles of incorporation with the director (or the designee thereof) of the Hawaii Department of Commerce and Consumer Affairs, or any successor agency,

(B) is controlled by Native Hawaiians, and

(C) whose business activities will principally benefit such Native Hawaiians.

(16) (A) The Administration shall award sole source contracts under this section to any small business concern recommended by the procuring agency offering the contract opportunity if—

(i) the Program Participant is determined to be a responsible contractor with respect to performance of such contract opportunity;

(ii) the award of such contract would be consistent with the Program Participant's business plan; and

(iii) the award of the contract would not result in the Program Participant exceeding the requirements established by section 7(j)(10)(I).

(B) To the maximum extent practicable, the Administration shall promote the equitable geographic distribution of sole source contracts awarded pursuant to this subsection.

(17) (A) An otherwise responsible business concern that is in compliance with the requirements of subparagraph (B) shall not be denied the opportunity to submit and have considered its offer for any procurement contract for the supply of a product to be let pursuant to this subsection or subsection (a) of section 15 solely because such concern is other than the actual manufacturer or processor of the product to be supplied under the contract.

(B) To be in compliance with the requirements referred to in subparagraph (A), such a business concern shall—

(i) be primarily engaged in the wholesale or retail trade;

(ii) be a small business concern under the numerical size standard for the Standard Industrial Classification Code assigned to the contract solicitation on which the offer is being made;

(iii) be a regular dealer, as defined pursuant to section 35(a) of title 41, United States Code (popularly referred to as the Walsh-Healey

Public Contracts Act), in the product to be offered the Government or be specifically exempted from such section by section 7(j)(13)(C); and

(iv) represent that it will supply the product of a domestic small business manufacturer or processor, unless a waiver of such requirement is granted—

(21) (A) Subject to the provisions of subparagraph (B), a contract (including options) awarded pursuant to this subsection shall be performed by the concern that initially received such contract. Notwithstanding the provisions of the preceding sentence, if the owner or owners upon whom eligibility was based relinquish ownership or control of such concern, or enter into any agreement to relinquish such ownership or control, such contract or option shall be terminated for the convenience of the Government, except that no repurchase costs or other damages may be assessed against such concerns due solely to the provisions of this subparagraph.

(B) The Administrator may, on a nondelegable basis, waive the requirements of subparagraph (A) only if one of the following conditions exist:

(i) When it is necessary for the owners of the concern to surrender partial control of such concern on a temporary basis in order to obtain equity financing.

(iv) The individuals upon whom eligibility was based are no longer able to exercise control of the concern due to incapacity or death; or

(v) When, in order to raise equity capital, it is necessary for the disadvantaged owners of the concern to relinquish ownership of a majority of the voting stock of such concern, but only if—

(I) such concern has exited the Capital Ownership Development Program;

(II) the disadvantaged owners will maintain ownership of the largest single outstanding block of voting stock (including stock held by affiliated parties); and

(III) the disadvantaged owners will maintain control of daily business operations.

(C) The Administrator may waive the requirements of subparagraph (A) if—

(ii) in the case of subparagraph (B)(iii), he is requested to do so as soon as possible after the incapacity or death occurs.

(D) Concerns performing contracts awarded pursuant to this subsection shall be required to notify the Administration immediately upon entering an agreement (either oral or in writing) to transfer all or part of its stock or other ownership interest to any other party.

(E) Notwithstanding any other provision of law, for the purposes of determining ownership and control of a concern under this section, any potential ownership interests held by investment companies licensed under the Small Business Investment Act of 1958 shall be treated in the same manner as interests held by the individuals upon whom eligibility is based.

(b) It shall also be the duty of the Administration and it is hereby empowered, whenever it determines such action is necessary—

(1) (A) to provide technical, managerial, and informational aids to small business concerns—

(i) by advising and counseling on matters in connection with Government procurement and policies, principles, and practices of good management;

(ii) by cooperating and advising with—

(I) voluntary business, professional, educational, and other nonprofit organizations, associations, and institutions (except that the Administration shall take such actions as it determines necessary to ensure that such cooperation does not constitute or imply an endorsement by the Administration of the organization or its products or services, and shall ensure that it receives appropriate recognition in all printed materials); and

(II) other Federal and State agencies;

(iii) by maintaining a clearinghouse for information on managing, financing, and operating small business enterprises; and

To facilitate the implementation of such volunteer programs the Administration shall maintain at its headquarters and pay the salaries, benefits, and expenses of a volunteer and professional staff to manage and oversee the program. Any such payments made pursuant to this subparagraph shall be effective only to such extent or in such amounts as are provided in advance in appropriation Acts. Notwithstanding any other provision of law, SCORE may solicit cash and in-kind contributions from the private sector to be used to carry out its functions under this Act, and may use payments made by the Administration pursuant to this subparagraph for such solicitation and the management of the contributions received.

(C) To allow any individual or group of persons participating with it in furtherance of the purposes of subparagraphs (A) and (B) to use the Administration's office facilities and related material and services as the Administration deems appropriate, including clerical and stenographic services:

(i) such volunteers, while carrying out activities under section 8(b)(1) of this Act shall be deemed Federal employees for the purposes of the Federal tort claims provisions in title 28, United States Code; and for the purposes of subchapter I of chapter 81 of title 5, United States Code (relative to

(ii) the Administrator is authorized to reimburse such volunteers for all necessary out-of-pocket expenses incident to their provision of services under this Act, or in connection with attendance at meetings sponsored by the Administration, or for the cost of malpractice insurance, as the Administrator shall determine, in accordance with regulations which he or she shall prescribe, and, while they are carrying out such activities away from their homes or regular places of business, for travel expenses (including per diem in lieu of subsistence) as authorized by section 5703 of title 5, United States Code, for individuals serving without pay; and

(iii) such volunteers shall in no way provide services to a client of such Administration with a delinquent loan outstanding, except upon a specific request signed by such client for assistance in connection with such matter.

(D) Notwithstanding any other provision of law, no payment for supportive services or reimbursement of out-of-pocket expenses made to persons serving pursuant to section 8(b)(1) of this Act shall be subject to any tax or charge or be treated as wages or compensation for the purposes of unemployment, disability, retirement, public assistance, or similar benefit payments, or minimum wage laws.

(E) In carrying out its functions under subparagraph (A), to make grants (including contracts and cooperative agreements) to any public or private institution of higher education for the establishment and operation of a small business institute, which shall be used to provide business counseling and assistance to small business concerns through the activities of students enrolled at the institution, which students shall be entitled to receive educational credits for their activities.

(F) Notwithstanding any other provision of law and pursuant to regulations which the Administrator shall prescribe, counsel may be employed and counsel fees, court costs, bail, and other expenses incidental to the defense of volunteers may be paid in judicial or administrative proceedings arising directly out of the performance of activities pursuant to section 8(b)(1) of this Act, as amended (15 U.S.C. 637(b)(1)) to which volunteers have been made parties.

(G) In carrying out its functions under this Act and to carry out the activities authorized by title IV of the Women's Business Ownership Act of 1988 the Administration is authorized to accept, in the name of the Administration, and

(2) to make a complete inventory of all productive facilities of small-business concerns or to arrange for such inventory to be made by any other governmental agency which has the facilities. (6) to determine within any industry the concerns, firms, persons, corporations, partnerships, cooperatives, or other business enterprises which are to be designated "small business concerns" for the purpose of effectuating the provisions of this Act. To carry out this purpose the Administrator, when requested to do so, shall issue in response to each such request an appropriate certificate certifying an individual concern as a "small business concern" in accordance with criteria expressed in this Act. Any such certificate shall be subject to revocation when the concern covered thereby ceases to be a "small business concern". Offices of the Government having procurement or lending powers, or engaging in the disposal of Federal property or allocating materials or supplies, or promulgating regulations affecting the distribution of materials or supplies, shall accept as conclusive the Administration's determination as to which enterprises are to be designated "small-business concerns," as authorized and directed under this paragraph;

(B) If a Government procurement officer finds that an otherwise qualified small business concern may be ineligible due to the provisions of section 35(a) of title 41, United States Code (the Walsh-Healey Public Contracts Act), he shall notify the Administration in writing of such finding. The Administration shall review such finding and shall either dismiss it and certify the small business concern to be an eligible Government contractor for a specific Government contract or if it concurs in the finding, forward the matter to the Secretary of Labor for final disposition, in which case the Administration may certify the small business concern only if the Secretary of Labor finds the small business concern not to be in violation.

(C) In any case in which a small business concern or group of such concerns has been certified by the Administration pursuant to (A) or (B) to be a responsible or eligible Government contractor as to a specific Government contract, the officers of the Government having procurement or property disposal powers are directed to accept such certification as conclusive, and shall let such Government contract to such concern or group of concerns without requiring it to meet any other requirement of responsibility or eligibility. Notwithstanding the first sentence of this subparagraph, the Administration may not establish an exemption from referral or notification or refuse to accept a referral or notification from a Government procurement officer made pursuant to subparagraph (A) or (B) of this paragraph, but nothing in this paragraph shall require the processing of an application for certification if the small business concern to which the referral pertains declines to have the application processed.
