Reports
Progress reports and financial reports are required, usually on a quarterly or semi-annual basis. Final program and financial reports summarizing the activities and accomplishments of the project in relation to the approved goals and objectives are also required.
Audits
Periodic audits are made as part of the system of financial management and internal control to meet terms and conditions of grants and other agreements. In accordance with the provisions of OMB Circular No. A-133 (Revised, June 24, 1997), Audits of States, Local Governments, and Nonprofit Organizations, nonfederal entities that expend financial assistance of \$300,000 or more in Federal awards will have a single or a program-specific audit conducted for that year. Nonfederal entities that expend less than \$300,000 a year in Federal awards are exempt from Federal audit requirements for that year, except as noted in Circular No. A-133. Nonprofit organizations receiving less than \$25,000 a year in Federal awards are exempt from Federal audit requirements, but records must be available for review by appropriate officials of the Federal grantor agency or subgranting entity.
