**NARRATIVE FAQ:** Let me tell you a little bit about this study. The Census Bureau is conducting research to make the 2020 Census work better. They would like to understand more about how people answer Census questions as well as how well the census forms work and how to improve them. If your household qualifies for this study, we will pay you \$40 to complete the interview. The interview needs to be face to face, but our interviewer can meet with you at a time and location convenient to you. The interview takes about 60 minutes. All your answers are confidential and protected by law. I have a few questions for you to make sure you qualify.

**Bulleted FAQs:**

- o **PURPOSE:** The Census Bureau is conducting research to make the 2020 Census work better. They would like to understand more about how people respond to the census as well as how well the census forms work and how to improve them.
- o **INCENTIVE:** If you qualify for this study, we would like to pay you \$40 to help us complete this research.
- o **RTI/RSS:** RTI International is a nonprofit research organization (or RSS is a contract research firm). The Census Bureau contracted with us to conduct this research. We have assisted the Census Bureau with several research studies in the past.
- o **INTERVIEWS:** An interviewer would conduct an interview with you. Because of the importance of this study, the interview needs to be face to face, but our interviewer can meet with you at a time and location convenient to you. The interview takes on average 60 minutes. The interviewer will use an interview guide designed by the Census Bureau and ask you some questions about how you respond to the census.
- o **HOUSEHOLD SELECTION:** [Generally only used for those who were selected through purchased lists] Your household was selected because we have interviewers in this area.
- o **CONFIDENTIALITY:** The study is protected by US Code Title 13. Anyone working at RTI (OR RSS), including the interviewer or me, will either go to jail or pay a fine up to \$250,000 if we divulge any information about you.
- o **VERIFICATION:** You can call the study's project manager Dr. Murrey Olmsted at RTI. His number is (919) 485-5586. I can also have researchers at the Census Bureau who designed this study to contact you.
- o **[WHEN APPROPRIATE] INTERVIEWER:** I'm not sure which interviewer will be calling you, the names of the interviewers in this area are [NAME], [NAME], [NAME], but my supervisor assigns the interviewer to the case.
