Dear Employer:

The Bureau of Labor Statistics (BLS) of the U.S. Department of Labor needs your help. We need to hear from businesses like yours as we measure employment involved in the production of green goods and services. **We need to hear from every company, even if your company is not involved in producing green goods or services**, to get an accurate picture of the economy.

Green goods and services are defined as those that benefit the environment or conserve natural resources. Examples are listed on the following pages.

We are requesting that you participate by responding to the attached survey. Please complete and return the survey **within 30 days** of receipt.

Your business may have more than one location, and each location may be involved in a different activity. Please respond for the activities performed at the individual worksite identified in Question 1 of the survey.

If you have any questions, please contact our helpdesk by calling toll free at [toll-free number] or by emailing [\_\_\_\_@bls.gov].

Thank you for your participation.

Sincerely yours,

Patricia M. Getz
