

AHRQ Seeks Your Input!

AHRQ is **EVALUATING** its
National Guideline Clearinghouse™ (NGC)

We are interested in how and why you use NGC
(or the reasons you don't)

What are your thoughts on NGC's impact on the
development, dissemination and implementation of
clinical practice guidelines?

The survey is brief and your input is key to helping AHRQ
evaluate the **IMPACT** of this resource.

Thank you for
