ENERGY STAR Commercial Steam Cookers Partner  
 Unit Shipment Data  
 Office of Atmospheric Programs

**PARTNER NAME** (Per your Partnership Agreement): \_\_\_\_\_

**DATE OF SUBMISSION:** \_\_\_\_\_

**SUBMITTED BY** (Your name): \_\_\_\_\_

**IMPORTANT: Please read these instructions carefully before completing this form.**

- Report shipments to or within the U.S. of all models qualified under your ENERGY STAR partnership.
- To ensure no double counting occurs, do not report shipments of products qualified under another company's partnership, even if you are the Original Equipment Manufacturer of those products. As a reminder, any product sold under a brand name your company owns or licenses must be qualified under your ENERGY STAR partnership. To the extent you have labeled products as ENERGY STAR for a brand owner/licensee that is not an ENERGY STAR partner, please report your shipments of these products.
- If you shipped zero ENERGY STAR qualified models to or within the U.S. in 2011, please check here and leave the table below blank.

This form is programmed to calculate your total shipments. Therefore, EPA strongly encourages you to complete it using Microsoft Excel instead of filling out a printed copy. Estimates of shipments are not accepted. Product Type definitions are available in the Program Requirements at [www.energystar.gov/specifications](http://www.energystar.gov/specifications).
