**>Question Text**

We know that people who work spend their time differently than others. So before I ask you about what you did yesterday, I need to update your employment status. The next few questions will sound familiar to you if you were the person in your household who did the Current Population Survey. I'm going to ask you about work in the LAST SEVEN DAYS. By LAST SEVEN DAYS, I mean the days beginning on [fill: date] and ending yesterday.

1. Enter 1 to Continue

**>Spanish Translation**

Sabemos que la gente que trabaja no pasa el tiempo de la misma manera que otras personas. Entonces, antes de preguntarle qué hizo ayer, necesito actualizar su situación de empleo.

Si usted fue la persona en su hogar que contestó la Encuesta Actual de Población, las siguientes preguntas le resultarán conocidas

Voy a hacerle algunas preguntas sobre el trabajo que usted haya hecho EN LOS ÚLTIMOS 7 DÍAS. Cuando digo en los ÚLTIMOS SIETE DÍAS me refiero al período de siete días que empezó el [fill date] y terminó ayer.
