USES AND USE RESTRICTIONS
Grants, cooperative agreements, and contracts are awarded for innovative research, demonstrations, and evaluations that are responsive to the Administration for Children and Families (ACF) program priorities. All applications must meet standards of excellence in research, demonstration, or evaluation design. Construction or renovation costs are not allowable under these grants or contracts. Further, these funds may not be used to supplement the cost of program operations otherwise capped under the law. Organizations may not use funds under these grants or contracts to engage in inherently religious activities,

such as worship, religious instruction, or proselytization. In addition, an organization receiving ACF funds shall not, in providing ACF-funded services, discriminate against a program beneficiary or prospective program beneficiary on the basis of religion or religious belief. Regulations pertaining to the Equal Treatment for Faith-Based Organizations, which include the prohibition against Federal funding of inherently religious activities, as well as provisions related to nondiscrimination against religious organizations and the ability of religious organizations to maintain their religious character, can be found at either 45 CFR 87.1 or the HHS web site at <http://www.os.dhhs.gov/fbci/waisgate21.pdf>.
