NPA Partner Survey

Introduction: Welcome to the survey being conducted by Community Science on behalf of the Office of Minority Health in the U.S. Department of Health and Human Services. This survey is designed to collect information on your involvement with efforts to end health disparities, including the National Partnership for Action to End Health Disparities. Your participation is voluntary. You can decline to participate. You can also stop your participation at any time by choosing not to submit your responses.

Your name and organization will not be attached to specific comments that you share today. Your response may be included with those of other respondents in aggregate form in reports or journal articles. In addition, participants' names will not be included in any information viewed by officials at the Office of Minority Health or any other HHS agency.

Methods will also be taken to protect study data. Data from the survey and interviews will not identify any person. Data from the surveys and interviews will be stored in a password-protected database. Only authorized Community Science staff working on the evaluation will have access to the database. The briefs and reports produced for the evaluation will not identify specific individuals. All potentially identifying information will be destroyed at the study's conclusion.

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0990-0406. The time required to complete this information collection is estimated to average 25 minutes per response, including the time to review instructions, search existing data resources, gather the data needed, and complete and review the information collection. If you have comments concerning the accuracy of the time estimate(s) or suggestions for improving this form, please write to: U.S. Department of Health & Human Services, OS/OCIO/PRA, 200 Independence Ave., S.W., Suite 537-H, Washington D.C. 20201, Attention: PRA Reports Clearance Officer
