Subject: Reminder – WISEWOMAN Network Survey

Dear [FIRST NAME]:

I am writing to remind you about an important survey Mathematica Policy Research and SRA International are doing for the Centers for Disease Control and Prevention's National Center for Chronic Disease Prevention and Health Promotion (NCCDPHP), Division of Heart Disease and Stroke Prevention (DHDSPP).

You were selected to complete this survey because [WISEWOMAN PROG] named [ORG NAME] as a partner. As part of the evaluation of the WISEWOMAN program, we want to learn about [ORG NAME]'s experience working with [WISEWOMAN PROG] and other agencies and organizations in the community that support cardiovascular health. The survey should take no more than 30 minutes to complete.

While participation in the survey is voluntary, we really would like to hear from you to ensure that we get a complete picture of how different organizations and communities work together to support cardiovascular health.

If you have not yet had the chance to complete the web-based survey, please do so by clicking the link below:

[FILL URL WITH EMBEDDED AUTHENTICATION CREDENTIALS]

The questionnaire takes about 30 minutes to complete, and your answers will be kept completely private.

If you have questions about the survey, or if you prefer to complete the questionnaire by mail, please contact me at 202-264-3450 or WISEWOMANTA@mathematica-mpr.com.

Thank you very much for your help with this important study.

Sincerely,
Katie Morrison
