

A Message from the Director, U.S. Census Bureau

Your company has been selected for the Quarterly Financial Report (QFR) survey. The U.S. Census Bureau conducts the QFR survey in order to provide vital statistics describing current business conditions of the U.S. economy. The survey results are used to prepare national measures of corporate profits, including estimates of the Gross Domestic Income, and to formulate fiscal and monetary policy. Your company's participation is critical to this effort.

The Census Bureau conducts the survey and requires your response under the authority of Title 13, United States Code, Section 91. We estimate the survey to take 1.2 to 3 hours to complete. On the back of this letter you will find disclosure descriptions regarding Office of Management and Budget number; authority and confidentiality; and burden estimate statement.

Title 13 U.S.C., Section 9 also requires that we keep your answers strictly confidential. The information you provide may be seen only by persons sworn to uphold the confidentiality of Census Bureau information and may be used only for statistical purposes. Further, copies retained in your files are immune from legal process.

Please utilize your business expertise and judgment in completing the survey. If actual data are not available, carefully prepared estimates are acceptable. Use the "Remarks" section to provide any needed explanations. We also encourage you to report online. The Internet address along with your Username and Password can be found in the "Internet Reporting" section on the first page of the enclosed survey form. Please return the form by the due date printed on the form.

Thank you in advance for your cooperation. If you have additional questions, please call my staff on 1-800-272-4250 or visit our help site at <https://econhelp.census.gov/qfr>.

Sincerely,

John H. Thomspson
Director
