OSC Annual Survey

Paperwork Reduction Act Notice:

OSC is asking for the information in this form because § 13 of Public Law 103-424 (1994) requires OSC to conduct an annual survey program, and because the information received will help OSC in its ongoing efforts to provide better service. OSC will use survey results to: (1) evaluate satisfaction with service provided in connection with its receipt of complaints; (2) increase staff awareness of perceptions of service provided; (3) identify areas where improvements can be made, and (4) provide a summary of survey results in its annual report to Congress. Survey forms are not filed or retrieved by personal identifiers such as names or case numbers. Respondents are not asked to provide their name, case number, or other personally identifying data, therefore, no such information will be used in the summary of survey results that OSC is required to include in its annual report to Congress. You are not required to participate in the survey, and your response is not required to obtain or keep any benefit. OSC estimates that the average burden of this collection of information on you will be 12 minutes. If you would like to comment on the accuracy of this estimate, or suggest ways to reduce it, please send your comments or suggestions to: Survey Coordinator, Office of Special Counsel, 1730 M Street, N.W., Suite 218, Washington, DC 20036-4505. Finally, an agency may not conduct or sponsor, and you are not required to respond to, a collection of information unless it displays a currently valid OMB control number.
