

Instructions For CCC-882

COTTON GINNING COST-SHARE (CGCS) PROGRAM APPLICATION

This form is used to certify the producer’s share of the 2015 cotton crop and the number of acres grown as reported on the FSA-578 Crop Acreage Report, or to a crop insurance agent for Federal Crop Insurance Corporation (FCIC) purposes.

Submit the original of the completed form in hard copy or facsimile to the appropriate USDA servicing office by September 16, 2016.

Customers who have established electronic access credentials with USDA may electronically transmit this form to the USDA servicing office, provided that (1) the customer submitting the form is the only person required to sign the transaction, or (2) the customer has an approved Power of Attorney (Form FSA-211) on file with USDA to sign for other customers for the program and type of transaction represented by this form.

Features for transmitting the form electronically are available to those customers with access credentials only. If you would like to establish online access credentials with USDA, follow the instructions provided at the USDA eForms web site.
