Welcome to the Professional Standards Training Tracker Tool 2.0!

The USDA Child Nutrition Program's Professional Standards Training Tracker Tool Version 2.0 has multiple time saving features. The tool provides a database of trainings, allowing users to select the course information and training hours will auto-populate. Managers can now enter trainings for multiple employees and recommend specific trainings for their staff. This tool will show managers/ and or staff how many training courses and hours are taken and how many hours remain to be completed to fulfill the annual training requirement. The Professional Standards Training Tracker Tool 2.0 will also provide other great features, such as: running reports, editing files, auto-populating school contract information, and making this tool more user-friendly and easy to navigate.

11/9/2016 You Have 235 Days To Complete 7.00 Hours of Training.
