Subject: REMINDER: Help CDC Improve State Oral Health Programs

Dear [Name]:

We previously contacted you about your participation in an online survey regarding your activities, challenges, and needs related to Cooperative Agreement DP13-1307, State Oral Disease Prevention Programs. This is a reminder that you have one week **until [date]**, to provide input.

The survey is voluntary and should take **no more than 32 minutes**. There are no known risks or direct benefits to you from participating or choosing not to participate, but your answers will help provide insight on challenges and lessons learned in implementing state oral health programs. Your feedback will also help guide decisions about how CDC can continue to support states in the future.

You will find the survey at {LINK}.

If you have any questions or concerns about this survey, please do not hesitate to contact me at nfp5@cdc.gov or 404-639-8706.

Thank you,
