Standard Vegetable Information Collection 0158-0178  
Consolidating the Background Nomination Forms (Industry and Public)**

**August 2018**

This Justification request is to replace the 27 Background/Acceptance forms currently approved in this 0581-0178 information package with the two currently approved ‘standardized’ Background/Acceptance forms approved on July 5, 2018, in the Tart Cherry 0581-0177 information package. These two approved forms are the ‘standardized’ forms (SC-8 and SC-9) that can be catered to each of the Marketing Order and Agreement Division’s (MOAD) Federal marketing orders. The Agricultural Marketing Service (AMS) is following a USDA initiative in consolidating and removing excess forms in each of the information collection packages.

The Standard Vegetable package contains the forms for: 981 Almonds, 987 Dates, 932 Olives, 993 Prunes, 989 Raisins, 984 Walnuts, 948 CO Potatoes, 966 FL Tomatoes, 958 ID/OR Onion, 945 ID/OR Potatoes, 982 OR/WA Hazelnuts, 959 S TX Onions, 985 Spearmint, 955 Vidalia Onions, 946 WA Potatoes, 956 Walla Walla Onions.
