Background:

The Social Security Administration (SSA) uses the information on Form SSA-5-BK to determine an individual's eligibility for mother's or father's insurance benefits. We are updating language on the form to match the language on SSA's website.

Revision to the Information Collection

- **Change #1:** We are revising the language on page 7, Bullet 1 under the heading "How to Report":

Old Language: Visiting the section "What You Can Do Online" at our web site at www.socialsecurity.gov.

New Language: Visiting the section "Online Services" at our web site at www.socialsecurity.gov.

Justification #1: We are revising the language to inform individuals to search under this heading when visiting our SSA web site.

We will implement these changes upon OMB's approval.
