<TD vAlign=3Dtop>OBJECTIVES</TD></TR>
<TR>
<TD vAlign=3Dtop>To develop alternative projects which promote early =
employment of refugees, including certain Amerasian immigrants, =
Cuban and=20
Haitian entrants, asylees, and certified victims of a severe form =
of=20
trafficking. States, voluntary resettlement agencies, and other=20
resettlement organizations may develop innovative approaches for =
the=20
provision of refugee cash and medical assistance, social services, =
and=20
case management otherwise available through the State-administered =
program. The purpose of the Wilson-Fish program is to provide =
integrated=20
services that include cash assistance, medical assistance and =
other=20
related services described above in order to increase refugees' =
prospects=20
for early employment and self-sufficiency, reduce their level of =
welfare=20
dependence, and promote coordination among voluntary resettlement =
agencies=20
and services providers. In addition, the WF program allows ORR to =
ensure=20
that refugee assistance programs exist in every State where =
refugees are=20
resettled. Projects must serve all eligible refugees in a =
community. There=20
are two categories for applications. Category one provides an =
opportunity=20
for an applicant to continue the provision of refugee program =
services and=20
assistance in a State when the State elects to discontinue =
participation=20

or is not currently participating in the program of refugee =
 resettlement.=20

There are currently 6 WF programs which fall under Category one =
 (Alabama,=20

Alaska, Idaho, Kentucky, Nevada, and South Dakota. Category two =
 provides=20

applicants an opportunity to implement alternative projects to =
 promote=20

self-sufficiency and coordinate services more effectively. There =
 are 5=20

Category II WF programs (Colorado, Massachusetts, North Dakota, =
 Vermont,=20

and San Diego. </TD></TR>

<TD vAlign=3Dtop>USES AND USE RESTRICTIONS</TD></TR>

<TR>

<TD vAlign=3Dtop>The Wilson/Fish demonstration program diverts a =
 portion of=20

funds earmarked for the State-administered program for refugee =
 cash and=20

medical assistance and social service to conduct alternative =
 projects=20

which promote refugee early employment and self-sufficiency. Funds =
 may be=20

used only for the purposes set forth in the grant award. =
 Assistance is=20

limited to refugees, asylees, including Cuban and Haitian =
 entrants,=20

Amerasian immigrants and trafficking victims, as defined in the=20

authorizing Acts. The refugee must document his immigration status =
 in=20

order to be eligible for assistance. Federal policy governs other=20

eligibility factors. The scope of services available to refugees =
 from=20

Wilson/Fish grantees is similar to that of the State-Administered =
 Refugee=20

Resettlement Programs, which in turn is similar to regular =
 domestic public=20

assistance programs. Hurricane Katrina/Rita Special Provisions: =
 the=20

60-month limitation at 45 CFR 400.152(b) has been waived for the =
 provision=20

of social services to refugees who have been in the U.S. for more =
 than 60=20

months. The waiver is for the period September 1, 2005 through =
September=20
30, 2006 for all Wilson/Fish grantees. The decision to waive the =
time=20
limitation on a national basis is for the purpose of providing =
critical=20
social services to victims of Katrina/Rita who are in desperate =
need of=20
these services. This waiver is appropriate and consistent with =
refugee=20
policy objectives. </TD></TR>
