Body Text

Currently, you may file an Application to Extend/Change Nonimmigrant Status (I-539) online only if you are filing for yourself and wish to extend your F-1, F-2, M-1, or M-2 nonimmigrant status.

If you have any other nonimmigrant status or are filing with additional applicants, you must file a paper Form I-539. If you need to change or reinstate your nonimmigrant status, file a paper form.

You may be eligible to apply for an extension of your authorized stay if:

- You were lawfully admitted into the United States with a nonimmigrant visa
- Your nonimmigrant visa status remains valid
- You have not committed any crimes that make you ineligible for a visa
- You have not violated the conditions of your admission
- Your passport is valid and will remain valid for the duration of your stay

If your nonimmigrant status is based on the fact that you are a family member or dependent of an individual who has already been granted nonimmigrant status, then you must file your application while that individual continues to maintain a valid nonimmigrant status. Family members and dependents are limited to the same period of authorized stay as the principal immigrant.

You may NOT be granted an extension or change of status if you were admitted under the Visa Waiver Program or if your current status is:

- An alien in transit (C) or in transit without a visa (TWOV)
- A crewman (D)
- A fiancé(e) or dependent of a fiancé(e) (K-1 or K-2)

EXCEPTION: A K-3 and K-4 are eligible to apply for an extension of status. They should file for an extension during the processing of Form I-130 filed on their behalf and up to completion of their adjustment-of-status application.

You may include your spouse and your unmarried children under 21 years of age as co-applicants in your application for the same extension or change of status, but only if you are all now in the same status or they are all in derivative status.

Note: Extensions granted to members of a family group must be for the same period of time. The shortest period granted to any member of the family shall be granted to all members of the family.

We will automatically calculate the cost for you when you submit your application.

The application fee is **\$370**. An additional biometrics services fee of **\$85** is required for you and for each person included on a Form I-539A.

USCIS does not refund fees, regardless of any action we take on your application, petition, or request.

By continuing this transaction, you acknowledge that you must submit fees in the exact amount and that you are paying the fees for a government service. You further agree that the filing fee, biometric fee, and any other paid costs related to this financial transaction are final and not refundable.

Please refer to the instructions for the form(s) you are filing for additional information or you may call the USCIS Contact Center at 800-375-5283. For TTY (deaf or hard of hearing) 800-767-1833. Submitting your application online is the same as mailing in a completed paper form. They both gather the same information and cost the same.

Most applicants will be required to submit:

- Nonimmigrant Arrival-Departure Record (I-94) for all applicants
- Passport and travel document numbers
- A valid passport

Several other documents will be required depending on your current nonimmigrant status. We will automatically determine which documents you should provide us as you fill out your application.

After you submit your form, you can track its status through your USCIS account. Sign in to your account often to check your case status and read any important messages from USCIS.

If we need more information from you, we will send you a Request for Evidence (RFE) or Request for Information (RFI). You can respond to our request and upload your documents through your USCIS account.

If necessary, we will contact you to schedule an appointment at an Application Support Center near you. At the appointment, we will get your fingerprints, photograph, and signature.

You should provide as many responses as you can. Incomplete fields or sections and missing information can slow down the process after you submit your form. If you do not finish your form in one session, you can sign in to your account to continue where you left off.

We will automatically save your information when you select next to go to a new page or navigate to another section of the form. Your responses will be saved for 30 days. You can sign in to your account at anytime to continue where you left off.

AUTHORITIES: The information requested on this application, and the associated evidence, is collected pursuant to the U.S. Code sections 1101, 1103, 1184, and 1258, and Title 8 of the Code of Federal Regulations parts 103, 214 and 248.

PURPOSE: The primary purpose for providing the requested information on this application is to apply for an extension of stay or a change from one nonimmigrant category to another nonimmigrant category. DHS will use the information you provide to grant or deny the immigration benefit you are seeking.

DISCLOSURE: The information you provide is voluntary. However, failure to provide the requested information, including your Social Security number (if applicable), and any requested evidence, may delay a final decision or result in denial of your application.

ROUTINE USES: DHS may share the information you provide on this application and any additional requested evidence with other Federal, state, local, and foreign government agencies and authorized organizations. DHS follows approved routine uses described in the associated published system of records notices [DHS/USCIS/ICE/CBP 001 Alien File, Index, and National File Tracking System, DHS/USCIS-007 Benefits Information System, and DHS/USCIS-018 Immigration Biometric and Background Check] and the published privacy impact assessment [DHS/USCIS/PIA-016(a) Computer Linked Application Information Management System and Associated Systems and DHS/USCIS/PIA-071 myUSCIS Account Experience], which can be found at www.dhs.gov/privacy. DHS may also share the information, as appropriate, for law enforcement purposes or in the interest of national security.

By signing this application, you have stated under penalty of perjury (28 U.S.C. section 1746) that all information and documentation submitted with this application are complete, true, and correct. You also authorize the release of any information from your records that USCIS may need to determine your eligibility for the immigration benefit you are seeking and consent to USCIS verifying such information.

DHS has the authority to verify any information you submit to establish eligibility for the immigration benefit you are seeking at any time. USCIS' legal authority to verify this information is in 8 U.S.C. sections 1103, 1155, and 1184, and 8 CFR parts 103, 204, 205, and 214. To ensure compliance with applicable laws and authorities, USCIS may verify information before or after your case is decided.

Agency verification methods may include, but are not limited to: review of public records and information; contact through written correspondence, the internet, fax, other electronic transmission, or telephone; unannounced physical site inspections of residences and locations of employment; and interviews. USCIS will use information obtained through verification to assess your compliance with the laws and to determine your eligibility for an immigration benefit.

Subject to the restrictions under 8 CFR 103.2(b)(16), USCIS will provide you with an opportunity to address any adverse or derogatory information that may result from a USCIS compliance review, verification, or site visit after a formal decision is made on your case or after the agency has initiated an adverse action which may result in revocation or termination of an approval. An agency may not conduct or sponsor an information collection, and a person is not required to respond to a collection of information, unless it displays a currently valid Office of Management and Budget (OMB) control number. The public reporting burden for this collection of information is estimated at 2 hours per response, including the time for reviewing instructions, gathering the required documentation and information, completing the application, preparing statements, attaching necessary documentation, and submitting the application. The collection of biometrics is estimated to require 1 hour and 10 minutes. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to:
