Who Is Not Eligible for Relief by USCIS?

USCIS cannot grant your application for suspension of deportation if you are deportable under any of the following grounds found in the INA section 241(a), as it existed before April 1, 1997:

1. Criminal grounds, paragraph (2);
2. Failure to register and falsification of documents, paragraph (3); or
3. Security and related grounds, paragraph (4).

USCIS cannot grant your application for special rule cancellation of removal if you are found to be:

1. Inadmissible under criminal and related grounds, INA section 212(a) paragraph (2);
2. Deportable under criminal offense, INA section 237(a) paragraph (2);
3. Deportable under failure to register and falsification of documents, INA section 237(a) paragraph (3); or
4. Deportable under security and related grounds, INA section 237(a) paragraph (4).

However, if you are deportable or inadmissible under these provisions (other than those related to security concerns), you may be eligible for relief from deportation or removal by an immigration judge if you meet higher eligibility standards (physically present in the United States for a continuous period of not less than 10 years immediately following the commission of an act that renders you removable, that you have been a person of good moral character during the required period of continuous physical presence, and that your removal from the United States would result in exceptional and extremely unusual hardship to you or your spouse, parent, or child who is a U. S. citizen or a permanent resident).

		<p>USCIS cannot grant your Form I-881 if you are eligible to apply only as someone described in the Who May File Form I-881 section, Item Number 6. of these Instructions. Instead, if you are someone described in Item Number 6., you may be eligible to apply with EOIR as provided for in the How to Apply With the Immigration Court section below.</p>
<p>Page 4, Part III. How to Complete the Application</p>	<p>[Page 4]</p> <p>Part III. How to Complete the Application</p> <p>A. General Instructions</p> <p>Submit a separate application for each applicant. A separate application must be prepared and submitted for each person applying for suspension of deportation or special rule cancellation of removal. An application on behalf of a person who is mentally incompetent or is a child under 14 years of age must be signed by a parent or guardian. Applicants who check category (d) only in Part 2 on the first page of the form must submit proof of relationship to the parent or spouse who is applying or has applied for suspension of deportation or special rule cancellation of removal.</p> <p>Applicants who check category (e) of Part 2 on the first page of the form must also submit evidence of the past relationship with the individual described in Part I (A), (B), (C), or (D) of these Instructions. If you checked category (e) of Part 2 of the form, you will also be asked to submit evidence of the battery or extreme cruelty.</p> <p>Answer in English. You must fully and accurately answer all your questions, providing explanations as required on the attached Form I-881. Your answers must be in English. Your responses must be typed or printed legibly in black ink. Do not leave any questions unanswered or blank. If any question does not apply to you, write "None" or "N/A" in the appropriate space. An incomplete form may be returned to you for completion.</p> <p>Attach additional sheets and documents</p>	<p>[Page 4]</p> <p>[deleted]</p>

where necessary. Answer questions directly on the form, where possible. However, if you do not have enough space on the form to respond to a question fully, continue your answer on an additional sheet. You may use **Page 8** of the form for this purpose. **You must attach additional written statements and documents that support your claim.** ABC class members who check category **(a)** or **(b)** in **Part 2** of the attached form do not need to submit documentation to support a claim that removal would result in extreme hardship. (See **Part VI** of these Instructions.)

If you need more than one additional sheet, photocopy **Page 8** or attach additional sheets that show your Alien Registration Number (A-Number), name (exactly as it appears in **Part I** of the form), signature, date, and the number of the question being answered.

You may amend and supplement your application. You will be permitted to amend or supplement your application at the time of your hearing in Immigration Court or at your interview with a USCIS Asylum Officer, by providing additional information and explanations about your claim.

B. Translation of Documents

Any document you submit that is in a language other than English must be accompanied by an English language translation and a certificate signed by the translator stating that he or she is competent to translate the document and that the translation is true and accurate to the best of the translator's abilities. The certification must be printed legibly or typed.

C. What is the Fee?

To apply with USCIS for suspension of deportation or special rule cancellation of removal, you must pay the filing fee of **\$285** per individual application submitted, except that all immediate family members (spouse, child, unmarried son or unmarried daughter) who submit their applications together in a single package are eligible for

the family filing fee of **\$570**. You will need to follow the instructions on **How to Pay When Applying with USCIS**, and those at **Part IV, How to Apply Before USCIS**.

To apply with EOIR for suspension of deportation or special rule cancellation of removal, the fees you must pay if you are applying in Immigration Court are different from the fees you must pay if you are applying with USCIS. If you are filing your application with the Immigration Court, you must pay a **\$165** fee to the U.S. Department of Homeland Security. A single fee of **\$165** will be charged whenever applications are filed by two or more aliens in the same proceedings. You will need to follow the instructions on **How to Pay When Applying with EOIR** and those at **Part V, How to Apply With the Immigration Court**. **NOTE:** The **\$165** fee is not required if USCIS refers the application to the Immigration Court.

In addition, each person applying with either USCIS or EOIR must pay a biometrics services fee of **\$85** for USCIS to take their fingerprints and photograph, and, if also required, their signature. There is no family discount for the biometrics services fee.

If you are unable to pay the application fees, you may ask permission to file your Form I-881 without fees, under 8 CFR 103.7(c) and 8 CFR 1003.24(d).

These fees will not be refunded, regardless of the action taken on your application. Therefore, it is important that you read the instructions and application carefully before applying.

How to Submit the Fee. All fees must be submitted in the exact amount. Payment may be made by personal check, cashier's check, certified bank check, bank international money order, or foreign draft, drawn on a financial institution in the United States. Remittances must be made payable to the **Department of Homeland Security** and in U.S. currency.

If the check is drawn on an account of a person other than yourself, you must write your name and A-Number on the front of the check. An uncollectible check will make your application invalid, and any receipt issued by USCIS for the remittance will not be binding on USCIS. A charge of **\$30** will be imposed if the check in payment of a fee is not honored by the bank on which it is drawn.

[Page 5]

How to Pay When Applying with USCIS.

You must include the required fees with your application when you send it to USCIS. You may use one check to cover the application fee and the biometrics services fee. All immediate family members (spouse, child, unmarried son or unmarried daughter) who wish to take advantage of a family discount for filing fees must send their applications in a single package.

How to Pay When Applying with EOIR.

If you are in deportation or removal proceedings and you are applying for suspension of deportation or special rule cancellation of removal with the Immigration Court, you must follow the *DHS Instructions for Submitting Certain Applications in Immigration Court and for Providing Biometric and Biographic Information to USCIS*, Side B Instructions. You will also be provided this information and these instructions at the master calendar hearing by counsel for DHS. You must follow these instructions before the immigration judge can grant relief in your case. These instructions may also be obtained at www.uscis.gov.

You must submit the following to:

USCIS Texas Service Center
P.O. Box 852463
Mesquite, Texas 75185-2463

1. A clear copy of the completed application form(s), minus supporting documents, for you and any immediate family members who are in the same proceedings.

2. A copy of Form EOIR-28, Notice of Entry of Appearance as Attorney or Representative Before the Immigration Court, if you are represented.

3. If you are filing your application with the Immigration Court, you must pay a **\$165** application filing fee to the U.S. Department of Homeland Security. A single fee of **\$165** will be charged whenever applications are filed by two or more aliens in the same proceedings. **NOTE:** The **\$165** is not required if USCIS refers the application to the Immigration Court.

4. Additionally, if you are unable to pay the required application filing fee, you must submit a fee waiver request to the immigration judge. Submit the immigration judge's fee waiver decision with your application. **NOTE:** If you received a fee waiver from the immigration judge, USCIS suggests that you make a copy of the decision for your records.

5. An **\$85** USCIS biometrics services fee for each person in removal proceedings is required. **NOTE:** Only USCIS can decide whether to waive biometrics services fees. Immigration judges do not have the ability to waive these fees.

6. A copy of the *DHS Instructions for Submitting Certain Applications in Immigration Court and for Providing Biometric and Biographic Information to USCIS*.

NOTE: All fees must be submitted in the form of a check or a money order made payable to the **Department of Homeland Security**.

After you submit the above referenced items as instructed in the *DHS Instructions for Submitting Certain Applications in Immigration Court and for Providing Biometric and Biographic Information to USCIS*, Side B to the USCIS Texas Service Center, you will receive:

1. A USCIS fee receipt notice for the paid application fee(s). Keep a copy for

yourself and submit the receipt to the Immigration Court when you file your application.

2. A USCIS notice with instructions to appear for an appointment at a nearby Application Support Center (ASC) for collection of your biometrics (photographs, fingerprints, and signature). Separate ASC notices will be sent to each immediate family member in removal proceedings with you if you submitted a copy of an application for them and the biometrics fee(s). You must show this notice to the ASC. Call **1-800-375-5283** if you do not receive an ASC notice within 3 weeks. Keep copies of all ASC notices for your records.

You (and your dependents) must then:

1. Attend the ASC biometrics appointment and obtain a biometrics confirmation document from the ASC.

2. File at the Immigration Court with jurisdiction over your case and within the time frame directed by the immigration judge: (1) the original application form, (2) all supporting documents, and (3) a copy of USCIS fee receipt that serves as evidence that you paid the application filing fee(s). See the discussion of **How to Apply with the Immigration Court** at **Part V** of these Instructions; and

3. Retain your ASC biometrics confirmation as proof that your biometrics were taken, and bring it to your future Immigration Court hearings.

How to Check If the Fees Are Correct.

The fees on this form are current as of the edition date appearing in the lower right corner of this page. However, because USCIS and EOIR fees change periodically, you can verify if the fees are correct by following one of the steps below:

1. Visit the USCIS website at www.uscis.gov, select "FORMS" and check the appropriate fee;

2. Telephone the USCIS National Customer Service Center at **1-800-375-**

5283 and ask for the fee information. For TTY (deaf or hard of hearing) call: **1-800-767-1833**;

3. Visit the EOIR website at www.justice.gov/eoir/forms to check the appropriate fees if you are in proceedings before EOIR.

[Page 6]

NOTE: If your application requires a biometrics services fee for USCIS to take your fingerprints, photograph, or signature, you can use the same procedure above to confirm the biometrics fee.

D. Biometrics Services for Fingerprints, Photograph, and Signature

Each applicant 14 years of age or older must be fingerprinted and photographed as part of USCIS biometrics services. Your fingerprints and photograph must be taken at a designated Application Support Center or Law Enforcement Agency. You will be notified in writing of your appointment date and exact location where you must go for the biometric services. If required, USCIS may also take your signature.

If filing with USCIS, unexcused failure to appear for a scheduled appointment or to provide your required biometrics, including fingerprints and photographs or to provide other biographical information within the time allowed, may delay eligibility for work authorization and/or result in an asylum officer dismissing your applications or referring your case to an immigration judge.

Applicants and eligible dependents in removal proceedings who fail to provide USCIS with their biometrics or other biographical information as required within the time allowed, except for good cause, may have their applications found abandoned by the immigration judge.

Passport-style photos must be 2" x 2." The photos must be in color with full face, frontal view on a white to off-white

background. Head height should measure 1" to 1 3/8" from top of hair to bottom of chin, and eye height is between 1 1/8" to 1 3/8" from bottom of photo. Your head must be bare unless you are wearing a headdress as required by a religious order of which you are a member. Using pencil or felt pen, lightly print your name and Alien Registration Number on the back of the photo.

Signature. Each application must be properly signed and filed. For all signatures on this application, USCIS will not accept a stamped or typewritten name in place of a signature. If you are under 14 years of age, your parent or legal guardian may sign the application on your behalf. A legal guardian may also sign for a mentally incompetent person.

Validity of Signatures. USCIS will consider a photocopied, faxed, or scanned copy of the original handwritten signature valid for filing purposes. The photocopy, fax, or scan must be of the original document containing the handwritten signature in ink.

Filing Fee. Each application must be accompanied by the appropriate filing fee. (See the **What Is the Filing Fee** section of these Instructions.)

		<p>Biometric Services Appointment. USCIS may require that you appear for an interview or provide biometrics at any time to verify your identity, obtain additional information, and conduct background and security checks, including a check of criminal history records maintained by the Federal Bureau of Investigation (FBI), before making a decision on your application or petition. After USCIS receives your application and ensures it is complete, we will inform you if you need to attend a biometric services appointment. If an appointment is necessary, the notice will provide you the location of your local or designated USCIS Application Support Center (ASC) and the date and time of your appointment.</p> <p>If you are required to provide biometrics, at your appointment you must sign an oath reaffirming that:</p> <ol style="list-style-type: none">1. You provided or authorized all information in the application;2. You reviewed and understood all of the information contained in, and submitted with, your application; and3. All of this information was complete, true, and correct at the time of filing. <p>If you fail to attend your biometric services appointment, USCIS may deny your application. You should submit legible photocopies of documents requested, unless the Instructions specifically state that you must submit an original document. USCIS may request an original document at the time of filing or at any time during processing of an application or petition. A biometric services fee of \$85 is also required for each applicant over 14 years of age.</p> <p>If you are applying with the Immigration Court, you must pay a \$165 fee to the U.S. Department of Homeland Security (DHS). A single fee of \$165 will be charged whenever applications are filed by two or more aliens in the same proceedings.</p> <p>The filing fee and biometric services fee are not refundable, regardless of any action USCIS or the Immigration Court takes on this application. DO NOT MAIL CASH. You must submit all fees in the exact amounts.</p> <p>Payments by Checks or Money Orders</p> <p>Use the following guidelines when you prepare your checks or money orders for the Form I-881 filing fee and biometric services fee:</p> <p>[Page 11]</p> <ol style="list-style-type: none"> 1. The checks or money orders must be drawn on a bank or other financial institution located in the United States and must be payable in U.S. currency; and 2. Make the checks or money orders

payable to **U.S. Department of Homeland Security**.

NOTE: Spell out U.S. Department of Homeland Security; do not use the initials “USDHS” or “DHS.”

Notice to Those Paying by Check. If you send USCIS a check, we will convert it into an electronic funds transfer (EFT). This means we will copy your check and use the account information on it to electronically debit your account for the amount of the check. The debit from your account will usually take 24 hours, and your bank will show it on your regular account statement.

You will not receive your original check back. We will destroy your original check, but will keep a copy of it. If USCIS cannot process the EFT for technical reasons, you authorize us to process the copy in place of your original check. If your check is returned as unpayable, we will re-submit the payment to the financial institution one time. If the check is returned as unpayable a second time, we will reject your application and charge you a returned check fee.

How To Check If the Fees Are Correct

Form I-881’s filing fee and biometric services fee are current as of the edition date in the lower left corner of this page. However, because USCIS fees change periodically, you can verify that the fees are correct by following one of the steps below.

1. Visit the USCIS website at www.uscis.gov, select “FORMS,” and check the appropriate fee; or

2. Visit the USCIS Contact Center at www.uscis.gov/contactcenter to get answers to your questions and connect with a live USCIS representative. The USCIS Contact Center provides information in English and Spanish. For TTY (deaf or hard of hearing) call: **1-800-767-1833**.
