Title: Real Estate Title Clearance and Loan Closing.

OMB Number: 0575-0147.

Expiration Date: December 31, 2019.

Type of Request: Revision of a currently approved information collection.

Abstract: Section 501 of Title V of the Housing Act of 1949, as amended, authorizes the Secretary of Agriculture to extend financial assistance to construct, improve, alter, repair, replace or rehabilitate dwellings, farm buildings, and/or related facilities to provide decent, safe, and sanitary living conditions and adequate farm buildings and other structures in rural areas. Title clearance is required to assure the Agency (s) that the loan is legally secured and has the required lien priority.

RHS will be collecting information to assure that those participating in this program remain eligible to proceed with loan closing and to ensure that loans are made with Federal funds are legally secured. The respondents are individuals or households, businesses and non-profit institutions. The information required is used by the USDA personnel to verify that the required lien position has been obtained. The information is collected at the field office responsible for processing a loan application through loan closing. The information is also used to ensure the program is administered in manner consistent with legislative and administrative requirements. If not collected, the Agency would be unable to determine if the loan is adequately and legally secure. RHS continually strives to ensure that information collection burden is kept to a minimum.
