

U.S. DEPARTMENT OF HOMELAND SECURITY U.S. COAST GUARD	STATE REGISTRATION DATA	OMB No. 1625-new Exp: mm-dd-yyyy
---	-------------------------	-------------------------------------

<b>Who must comply?</b>	State issuing authority representatives who wish to be in compliance with State numbering requirements.
<b>What is this collection about?</b>	The Coast Guard collects numerical information for statistical purposes. The Coast Guard reports on the data collected in an annual statistics publication, and calculates rates (e.g. fatality rate expressed by the number of deaths per 100,000 registered vessels) using the data.
<b>Where do I find the requirements for this information?</b>	46 USC 12302 and 33 CFR 174.123
<b>When must information be submitted to the Coast Guard?</b>	Prior to 1 March each year.
<b>How is the information submitted?</b>	Information is emailed or faxed to the appropriate CG-BSX-2 point of contact on form CGHQ-3923.
<b>What happens when complete information is received?</b>	Once received, the information is logged by the Statistician in the Office. It takes approximately five minutes to log each one and double check to make sure that numbers accurately tally. If there is an error, the Statistician will contact the State for clarification.  Once reviewed, the information is aggregated and reported out nationally in the annual Recreational Boating Statistics report.
<b>For additional information, contact--</b>	Susan Weber, Statistician, 202-372-1103

An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a valid OMB control number. The Coast Guard estimates that the average burden per response for this report is about 45 minutes. You may submit any comments concerning the accuracy of this burden estimate or any suggestions for reducing the burden to: Commanding Officer, CG CSC, 510 Independence Parkway, Suite 500, Chesapeake, Virginia 23320, or Office of Management and Budget, Paperwork Reduction Project (1625-new), Washington, DC 20503.
