

## PFAS EA Biological Testing Tracking Form

ATSDR estimates the average public reporting burden for this collection of information as 20 minutes per response, including the time for moving from station to station at the data collection site and providing a blood and urine sample to the PFAS EA team. An agency may not conduct or sponsor, and a person is not required to respond to collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Reports Clearance Officer; 1600 Clifton Road, MS D-74, Atlanta, GA 30333, ATTN: PRA (0923-00xx).
