
Email Invitations

Email Invitation Language: SBIR (seeking funding)

[Subject line option 1] Interviewing Small Business Innovation Research (SBIR) grant awardees and prospects

[Subject line option 2] Participate in interviews to improve the SBIR Development Center website

The National Cancer Institute (NCI) is conducting phone interviews with influencers and decision makers from SBIR companies that are seeking funding or are currently funded by NCI to develop next generation cancer technology. Participants will be asked about their professional experiences with the process of seeking SBIR funding from NIH/NCI. Previous SBIR funding is not required to participate.

The one-on-one interviews will last 60 minutes and take place over the phone between [insert dates]. Feedback from the interviews will be used to support the continuous improvement of the NCI SBIR Development Center's digital communications and web pages. Individuals who participate in a phone interview will receive a \$150 honorarium in the form of a prepaid Visa gift card.

If you are interested in participating, please fill out this short questionnaire that takes less than 5 minutes to complete. If you qualify for the study and are selected to participate, a representative from Fors Marsh Group, our project contractor, will notify you - [[click here](#)].

Thank you!

Email Invitation Language: SBIR (investing in SBIRs)

[Subject line option 1] Interviewing Small Business Innovation Research (SBIR) investors
