July 2020

Attachment A-2

**Data Groups for
Civil Rights Data Collection
for School Year 2020–21**

Revised after 60-day public comment period.

Responses to, and changes made as a result of comments received during the 60-day public comment period are primarily addressed and reflected in Attachment B. In this Data Groups document, changes made as a result of comments received during the 60-day public comment period are noted with a “†”.

Due to the impact the Coronavirus (COVID-19) pandemic has had on SEAs, LEAs, and schools, ED has decided to shift the 2019–20 CRDC to the 2020–21 school year. Therefore, all comments received for the 2019–20 CRDC, and ED’s responses to those comments will now apply to the 2020–21 CRDC. In addition, throughout this document, original references to the 2019–20 CRDC and the 2019–20 school year have been changed to the 2020–21 CRDC and the 2020–21 school year.

INTRODUCTION

This attachment contains the details of sets of related data entries known as data groups (DG) that are used for the Civil Rights Data Collection (CRDC) collected from state educational agencies (SEA), local educational agencies (LEA), and schools.

To fully understand the data groups presented in this attachment, the reader should use Attachments A-1 and A-3 as references. Attachment A-1 explains how to read the table of information on each data group. Attachment A-3 contains the definitions and permitted values of the categories in the category sets.

In this attachment, data groups are listed in alphabetical order by data group name. For readability, the tables that describe data groups are not divided between pages, if possible. This results in some pages having significant blank space.

DATA GROUPS THAT ARE PART OF THE CRDC

Data groups that will be considered part of the CRDC fall into the following sets.

- Set A: Data groups submitted by LEAs through the CRDC, and also collected from SEAs through the ED*Facts* Submission System (ESS) to ensure internal consistency of the CRDC.
- Set B: Data groups submitted by LEAs and schools for the CRDC.
- Set C: Data groups submitted by SEAs through ESS and merged into the CRDC dataset to provide more complete and robust data for civil rights purposes, with no additional burden on SEAs or LEAs.

Set A Data Groups—Collected through both CRDC and ESS

The data groups, as collected through the CRDC, are explained in this attachment.

The data groups, as collected through the ESS, are explained in Attachments A and B of the ED*Facts* school years 2019–20, 2020–21, and 2021–22 information collection package titled, “Annual Mandatory Collection of Elementary and Secondary Education Data through ED*Facts*.” The ED*Facts* information collection package (OMB control number: 1850-0925 v.4) is available at <https://www.regulations.gov/docket?D=ED-2018-ICCD-0117>.
