Plant Award Specification Sheet

OMB Control No. 2060-0347
Expiration Date: XX/XX/XXXX
Approved while under OMB review

The data on this form is used for generating certification materials, which includes a certificate for each plant and a letter to the Corporate Energy Manager (CEM) and Chief Executive Officer (CEO). Complete this form with company and plant names and contact information as it should be referenced on certification materials. The letters to the CEO will reference the plants that received certification and will acknowledge the CEM for helping reduce energy use. If any other staff should be acknowledged, please write their names and titles at the end of the form. For multiple plants that fall under the same CEO and CEM input additional plants on page 2. For multiple plants with a different CEO or CEM use a separate form.

	Corporate Energy Manager	Organization's Chief Executive Officer
Name

This collection of information is approved by OMB under the Paperwork Reduction Act, 44 U.S.C. 3501 et seq. (OMB Control No. 2060-0347). Responses to this collection of information are voluntary (Section 103(g) Clean Air Act). An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The public reporting and recordkeeping burden for this collection of information is estimated to range up to 15 minutes per response. Send comments on the Agency's need for this information, the accuracy of the provided burden estimates and any suggested methods for minimizing respondent burden to the Regulatory Support Division Director, U.S. Environmental Protection Agency (2821T), 1200 Pennsylvania Ave., NW, Washington, D.C. 20460. Include the OMB control number in any correspondence. Do not send the completed form to this address.
