

Grantee Experience Survey 2020

SUBJECT: Invitation to Complete Farm to School Grantee Experience Survey

Dear Farm to School Grantee,

It has been a privilege to work with you on your Farm to School Grant project and we appreciate the important work you do on behalf of students nationwide.

As a key partner in the delivery of farm to school programming, we would like to ask you a series of brief questions about your grantee experience so that we can better support future farm to school grantees.

Please ensure that the individual or individuals responsible for managing your grant project and completing grant reports complete this survey. This survey should require no more than 15 minutes to complete. All responses must be submitted no later than **[DATE]**.

This survey is optional and participation in this survey will not affect your current grant. All responses will remain anonymous, so please offer candid feedback.

Finally, please note that you are required to submit periodic reports semi-annually, and a final report within 90 days of your project end-date. Completing this Grantee Experience Survey does not fulfill your reporting requirements.

Sincerely,

The USDA Farm to School Team

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number.
