

## Methods for Promoting Open Science in Social Policy Research

2019 OPRE Innovative Methods Meeting

Thank you for attending the 2019 OPRE Innovative Methods Meeting. We are requesting feedback at three points throughout the meeting. This collection of information is voluntary and will be used to capture your experience and gauge your level of satisfaction in order to ascertain the success of this year's meeting, and to plan future meetings. We expect the total time to complete the three sections to be about 10 minutes.

### Section 1: To be completed toward the beginning of the methods meeting

Please complete each of the questions written below. This collection of information is voluntary and will be used to capture your experience and to plan future meetings.

1. How comfortable are you with the open sciences practices just described?

a. Pre-registration

1-not comfortable at all      2      3      4      5      6-totally comfortable

b. Reproducibility

1-not comfortable at all      2      3      4      5      6-totally comfortable

c. Data archiving

1-not comfortable at all      2      3      4      5      6-totally comfortable

d. Replication studies

1-not comfortable at all      2      3      4      5      6-totally comfortable

e. Meta-analyses

1-not comfortable at all      2      3      4      5      6-totally comfortable

2. What are some examples of how your agency/organization uses these open science practices?

3. What challenges have you experienced in implementing open science practices in government-sponsored research?

*Public reporting burden for this collection of information is estimated to average 10 minutes per response (for all three sections), including the time for reviewing instructions, gathering and maintaining the data needed, and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control number for this collection is 0970-0401 and it expires 05/31/2021.*

6. What topics would you like to see explored in future OPRE Innovative Methods Meetings?

7. What is your field of study? \_\_\_\_\_ (choose all that apply)

- 1. Child Welfare
- 2. Early Childhood
- 3. Education
- 4. Employment and Training
- 5. Healthy Marriage and Responsible Fatherhood
- 6. Home Visiting
- 7. Head Start
- 8. Public Health, Healthcare
- 9. Housing
- 10. Nutrition
- 11. TANF
- 12. Violence Prevention
- 13. Other (specify)

8. After attending the 2019 Methods Meeting, how comfortable are you with the following open sciences practices?

- a. Pre-registration  
1-not comfortable at all      2      3      4      5      6-totally comfortable
  
- b. Reproducibility  
1-not comfortable at all      2      3      4      5      6-totally comfortable
  
- c. Data archiving  
1-not comfortable at all      2      3      4      5      6-totally comfortable
  
- d. Replication studies  
1-not comfortable at all      2      3      4      5      6-totally comfortable
  
- e. Meta-analyses  
1-not comfortable at all      2      3      4      5      6-totally comfortable

9. Please indicate your position (circle *all* that apply):

Federal Employee

Contractor

Academic

Other: \_\_\_\_\_

10. Any additional comments on the meeting structure, location, or anything else?

*Public reporting burden for this collection of information is estimated to average 10 minutes per response (for all three sections), including the time for reviewing instructions, gathering and maintaining the data needed, and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control number for this collection is 0970-0401 and it expires 05/31/2021.*
