The Coronavirus Capital Projects Fund (Capital Projects Fund) will address many challenges laid bare by the pandemic, especially in rural America and low- and moderate-income communities, helping to ensure that all communities have access to the high-quality, modern infrastructure needed to thrive, including internet access.

The American Rescue Plan provides \$10 billion for payments to eligible governments to carry out critical capital projects that directly enable work, education, and health monitoring, including remote options, in response to the public health emergency.

FUNDING AMOUNTS

Congress has allocated funding from the Capital Projects Fund to states, the District of Columbia, and Puerto Rico (States), territories and freely associated states, and Tribal governments and the State of Hawaii (for Native Hawaiian Programs) (Tribal Governments). These allocations include:
