About this event

Artemis I will be the first integrated test of NASA's Orion spacecraft, Space Launch System (SLS) rocket and the ground systems at Kennedy Space Center in Cape Canaveral, Florida. Artemis I will be an uncrewed flight test that will provide a foundation for human deep space exploration, and demonstrate our commitment and capability to extend human existence to the Moon and beyond.

All resources, participation, and registration are FREE. Register to let NASA know that you're virtually participating! Registration will provide communications about launch schedule changes, information about launch related activities, and access to curated launch resources.

There is no physical ticket for online participation and no access to in-person launch activities.

The use of the NASA logo or identifiers without permission of the Office of Communications is prohibited by federal statute and regulations, the violation of which may include fines, imprisonment, or both.

YOUR Virtual Launch Passport!

Print, fold, and get ready to fill your virtual launch passport. Stamps will be emailed following launches to all registrants.

Registration is free - individuals should register as online participants. If you are hosting a watch party (public or private, please register for the appropriate ticket type). Paperwork Reduction Act Statement - The OMB control number for this information collection is 2700-xxxx and it expires on xx/xx/xxxx. This information collection meets the requirements of 44 U.S.C § 3507, as amended by section 2 of the Paperwork Reduction Act of 1995, and is part of a Federal Government-wide effort to streamline the process for seeking feedback on service delivery. This data will only be used internally for service improvement and program management purposes. We estimate it will take about 10 minutes to read the instructions, gather the facts, and answer the questions. Responses to this collection are voluntary, and you should not respond to any agency's information collection unless such collection displays a valid Office of Management and Budget control number. You may send comments on our time estimate above to emily.e.mcleod@nasa.gov. Please send only comments relating to your time estimate to this address.
