

Justification for No Material or Nonsubstantive Change to Currently-Approved Collection

AGENCY: Pension Benefit Guaranty Corporation (PBGC)
TITLE: Application for Special Financial Assistance (29 CFR part 4262)
STATUS: OMB control number 1212-0074; expires 01/31/2023

The Pension Benefit Guaranty Corporation (PBGC) is making changes that are not material to three currently-approved documents used by multiemployer plans to apply for Special Financial Assistance (SFA) under section 4262 of the Employee Retirement Income Security Act of 1974 (ERISA) and part 4262 of PBGC's regulations. A plan must submit an application to PBGC, so that PBGC can review the plan's eligibility for SFA and amount of requested SFA.

Under § 4262.6(e)(1) of PBGC's regulations, a plan applying for SFA must amend its governing plan document to affirm that the plan will be administered in compliance with the conditions and restrictions on plans that receive SFA. Under § 4262.7(e)(1), this amendment must be included with the plan's application for SFA.

Under § 4262.6(e)(2) of PBGC's regulations, a plan that has suspended benefits and that is applying for SFA must amend its governing plan document to state that it will reinstate benefits in accordance with guidance from the Department of the Treasury. Under § 4262.7(e)(2), this amendment, if required, must be included with the plan's application for SFA along with a certification that the amendment will be timely adopted.

PBGC provides three model documents that plans may use when applying for SFA: (1) a model amendment on compliance, (2) a model amendment on reinstatement of benefits, and (3) a model certification of timely adoption of the amendment on reinstatement.

PBGC is making minor changes to the three model documents in part to better reflect the language of the required amendments that was added for clarity in the final rule. PBGC is modifying the language to reflect more accurately the required wording as stated in §§ 4262.6(e)(1), 4262.6(e)(2), and § 4262.7(e)(2). Other changes are intended to assist filers in complying with the amendment requirements. These changes do not affect the time or cost burden of submitting an application for SFA. PBGC is simply modifying the wording of the model documents that the plans may use. The changes to the 3 model documents are in red below:
