

National Teacher and Principal Survey of 2023-2024 (NTPS 2023-24) Preliminary Field Activities

OMB# 1850-0598 v.41

Appendix C 2023-24 NTPS Online Screener Instrument Details

**National Center for Education Statistics
U.S. Department of Education**

**July 2022
revised October 2022**

The **NTPS Screener** is a web-based survey, the purpose of which is to collect basic information about the school, confirm the eligibility of the school in the NTPS, and establish a point of contact at the school (a “survey coordinator”) for NTPS data collection operations.

NTPS instrument screenshots are provided as **examples** throughout this document. These screenshots are based on the specifications provided to programmers for the development of the 2023-24 NTPS Screener Instrument.

- o “Charter,” then (s)he is directed to Screener Interview Page 6 (Charter School).
- o “Private School” or “Home School,” then (s)he is directed to Screener Interview Page 12 (Out of Scope).

Screener Interview Page 6: Charter School

A respondent accesses this page only if (s)he selected “Charter School” as the school type on Screener Interview Page 4.

The screenshot shows the top of a survey page. On the left is the Department of Education logo. In the center, it reads "National Teacher and Principal Survey", "NTPS Screener", and "2023-24 School Year". On the right is the United States Census Bureau logo. Below the logos is a dark blue navigation bar with "FAQs" and "Contact Us" on the left, and "Save and Continue Later" on the right. The main content area has a light blue background and contains the following text:

You have indicated that your school is a charter school. Please verify that your school meets our definition of a charter school:

- A “charter school” is a public school that, in accordance with an enabling state statute, has been granted a charter exempting it from selected state or local rules and regulations. A charter school may be a newly created school, or it may previously have been a public school or private school.

Below the list are two radio button options:

Yes, we are a charter school.

What is the NTPS?

The NTPS is a system of related questionnaires that provides policymakers and researchers with relevant and timely data on the characteristics and conditions of America's public, charter, and private K-12 schools and the professionals who work in them. The data collected permit detailed analyses of the characteristics of schools, principals, teachers, and students. The data also link the NTPS components, which enable researchers to examine the relationships among these elements of the education system. For example, researchers can study teacher attrition using information not only provided by teachers, but also from their principals.

The NTPS has been designed with input from state and local education agencies, school administrators, teachers, education policymakers, and researchers through the numerous
