

Diesel Inventory

EGov login:

The screenshot shows the login page for the Mine Safety and Health Administration (MSHA) EGov system. The header includes the United States Department of Labor logo and navigation links. The main content area features a login form with fields for Email Address (NETTLES.MARY@dol.gov) and Password (*****). A 'Login' button is present, along with a link to 'I forgot my password'. Below the login form is a registration section with a link to 'New EGov users register here'. A notice section states that as of May 21, 2016, users must change their password every 90 days. A warning at the bottom indicates that the system is for authorized use only.

NOTICE
As of **May 21, 2016**, you will be required to change your password every 90 days. The system will prompt you 14 days before expiration and will continue to do so until the password expires or is changed. If there are any questions regarding password expiration, contact the MSHA Help Desk at 1-877-778-6055 or by email at desk.help@dol.gov. Thank you in advance for your cooperation.

****WARNING**WARNING**WARNING****
You are entering an official United States Government system which may be used only for authorized purposes. The Government may monitor and audit usage of this system

First screen:

The screenshot shows the first screen of the Diesel Inventory application. The header is identical to the login page. The main content area features a 'Diesel Inventory' section with a form for entering the Mine Id (1102664). A 'Next >>' button is located below the input field. A note indicates that fields marked with an asterisk are required. The footer contains links to various MSHA resources and contact information.
