Item 5. Primary language

The standard for primary language is a measure of English proficiency. The answer to this Item will assist MSHA and its grantees to ensure that training is effective for all participants.

PRIVACY NOTICE

MSHA is collecting personal information such as age, gender, race and/or ethnicity and primary language on this form. This information is used as necessary to plan for federal agencies in their separate or combined format for civil rights and other compliance reporting from the public and private sectors and all levels of government, and in the production of summary descriptive statistics and analytical studies in support of the function for which the records are collected and maintained, or for related workforce studies. By collecting this demographic data, MSHA is identifying barriers for underserved communities to have access safe and healthy jobs in the mining industry through its grantees' training and compliance assistance programs.

PAPERWORK REDUCTION ACT

Form Approved. OMB No. 1219-xxxx Expires xx/xx/20xx

Persons are not required to respond to the collection of information unless it displays a currently valid OMB control number. This information is being collected so that MSHA can monitor grantee progress in meeting grant workplans to evaluate the overall effectiveness of the grant program, and, when applicable, to be used as one factor in determining continued funding of the grant. The grant program provides training for individuals, miners, employers, and contractors in the recognition, avoidance, and prevention of unsafe and unhealthful working conditions in accordance with section 503 of the Federal Mine Safety and Health Act of 1977 (Mine Act), Public Law 95-164 as amended, 30 U.S.C. 953 and section 14 of the Mine Improvement and New Emergency Response Act of 2006 (MINER Act), 30 U.S.C. 965. This collection of information is required to obtain or retain a benefit (2 CFR 200.329 (b) and (c)). This collection of information is not confidential. We estimate it will take an average of 3 minutes to complete this information collection, including time for reviewing instructions. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Directorate of Educational Policy and Development, Mine Safety and Health Administration, 201 12th St S, 4th Floor West, Arlington, VA 22202-5450.
