

PART C - PRODUCER ACKNOWLEDGMENT

By signing this agreement, you are certifying that you cannot afford to complete the repairs without federal assistance and acknowledging that:

- Cost share cannot be earned on land on which you have or will receive funding from any other Federal cost share program for the same of similar activity(ies).
- Actual cost share will be based off the extent performed in compliance with Natural Resource Conservation Services (NRCS) Standards and Specifications. Fence repair does not have to meet standards, but cost share is paid at a reduced rate versus fence replacement.
- Cost share is based on the typical average cost and is not based on submitted receipts.
- Total cost share paid cannot exceed 50 percent of the value of the land as determined by FSA.
- If an advance payment is accepted for any ECP practice, you must provide verification that the advance payment has been expended within the applicable time allowed by policy, receipt of payment, or the advance payment must be refunded, less any cost share earned for partial performance completed.
- You must keep a log of receipts/invoices for all the materials, labor and equipment (including personal labor) amounts spent for completing the ECP practice. If you are completing the work, with your own labor, equipment, and/or materials you must submit signed and dated statements detailing dates of work performed, cost/hour for labor, expense of equipment used, type and cost of materials used, and other applicable information. If you are using a contractor, the contractor must provide an itemized bill. Records must be kept separate for each practice. Example: Fencing receipts and fencing labor records must be kept separate from debris removal receipts and debris removal labor records.
- During the rehabilitation process, if you feel the extent needed is not correct and should be reviewed, it is your responsibility to request a secondary review.
- If the practice cannot be completed by the expiration date, an extension must be requested in writing prior to the practice expiration date.
- You will be required to properly maintain the practice for the applicable lifespan of all payment scenarios approved for cost share.
- Failure to certify completion of the practice and submit cost share documents prior to practice expiration date will result in termination.
- Failure to complete the practice will result in refunding all advance and partial cost share paid to me under this practice(s).
- **You must return this completed and signed form to your County FSA Office within 15 days of receipt.**
