NIH-OER 2022 Integrated Core Curriculum Survey

The NIH-OD, Office of Extramural Research, is seeking information regarding training expectations, outcomes, and needs for extramural employees. Your feedback is very valuable and will help to form future training offerings for you. The information you provide will not be reported out in any way that could identify you.

This survey should take approximately 10 minutes to complete. If you have any questions about the survey, please contact the OER-Extramural Training Office at NIHSTAFFTRAINING@OD.NIH.GOV.

Thank you in advance for providing your feedback.
