### Performance Measure Data Collection Platform

March 2024

Public reporting burden of this collection of information is estimated to average **8 hours per response per year**, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Reports Clearance Officer; 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; Attn: OMB-PRA (0920-1282)

## Guidance for Reviewing Screenshots

- The name of the recipient provided for each screenshot (Performance Measures - [Agency Name] (DP23-0020)) is an example of where the recipient agency's name who is completing the form would be displayed.
- The name indicated in the "Last Modified By" field (Platform Admin Rene van Horde) is an example of the name of the person who last modified the template.
- Field labels in Salesforce are not limited to the number of characters with spaces and can be expanded.
- Field labels follow the layout of performance measure guidance with fields reading from left to right, top to bottom across the page.

### DP23-0020 Home Screen - Component C

The screenshot shows the DDT (Data Decision Tool) interface for Component C. At the top, there is a CDC logo and a search bar. Below the search bar is a navigation menu with tabs for RESOURCE TOPICS, TA REQUESTS, AWARDS, GROUPS, DASHBOARD, REPORTS, and CALENDAR. The main content area is titled 'Performance Measures - AmVentureX, Inc. (DP23-0020)'. It includes a table with the following information:

NFO	Component	Award Number	Status
DDT DP23-0020	Component C		In Progress

Below the table are two buttons: 'Submit For Review' and 'Export'. There are also tabs for 'MEASURES' and 'DISCUSSIONS'. Under the 'MEASURES' tab, there is an 'Add Measure' button and a list of measures with expand/collapse icons:

- > 1.1
