TITLE OF INFORMATION COLLECTION: Immigration Legal Services for Afghan Arrivals *Legal Service Providers (LSPs) and Paralegals Feedback Survey*

PURPOSE AND USE: Immigration Legal Services for Afghan Arrivals (ILSAA) is a service of the Office of Refugee Resettlement (ORR) within the Administration for Children and Families. ORR is dedicated to providing new populations with the opportunity to achieve their full potential in the United States. ORR’s programs provide people in need with critical resources to assist them in becoming integrated members of American society. ILSAA provides immigration legal services to Eligible Afghan Arrivals (EAAs) across the country and helps build the capacity of immigration legal service providers (LSPs). ILSAA is funded by ORR and implemented by the U.S. Committee for Refugees and Immigrants (USCRI) and ICF.

The *ILSAA LSPs and Paralegals Feedback Survey* is designed to gather feedback from service providers about their experience interacting with other service areas of the ILSAA project to assess satisfaction with and effectiveness of service areas and support resources. The information collected will help inform best practices for similar future projects.
