HIV/AIDS Bureau (HRSA – HAB)**

2022 Recipient Satisfaction Survey

Survey to be administered via the web. Questionnaire section headers, bolded instructions and question numbers will not appear on screen. All rated questions will include a “don’t know/not applicable” option.

Survey Introduction

Burden Statement: The Health Resources and Service Administration (HRSA) HIV/AIDS Bureau (HAB) is committed to improving the program management of the Ryan White HIV/AIDS Program. As part of this effort, we are requesting feedback on your experiences with HAB and our technical assistance partners over the past 12 months. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control number for this information collection is 0906-0084 and it is valid until 2/28/2027. This information collection is voluntary. The survey is hosted via a secure server and your responses will remain anonymous. Data will remain private to the extent permitted by the law. Public reporting burden for this collection of information is estimated to average 14 minutes per response, including the time for reviewing instructions, searching existing data sources, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to HRSA Information Collection Clearance Officer, 5600 Fishers Lane, Room 14N39, Rockville, Maryland, 20857 or paperwork@hrsa.gov. Please see <https://www.hrsa.gov/about/508-resources> for the HRSA digital accessibility statement. Thank you in advance for completing the survey. If you experience any technical difficulties while taking the survey, please write surveyhelp@cfgroup.com.

ACSI BENCHMARK QUESTIONS

ACSI1. Please consider all of the experiences and interactions you have had with HAB over the past 12 months. Using a 10-point scale on which 1 means *Very Dissatisfied* and 10 means *Very Satisfied*, how satisfied are you with HAB's program management (monitoring, TA, staff assistance, etc.)?

ACSI2. Using a 10-point scale on which 1 means *Falls Short of Your Expectations* and 10 means *Exceeds Your Expectations*, how does HAB compare to your expectations?

ACSI3. Imagine an ideal process for program management of an organization like yours. How close is the HAB to that ideal? Please use a 10-point scale on which 1 means *Not Very Close to Ideal* and 10 means *Very Close to Ideal*.

Closing Questions

CQ1. Now, please think about your entire experience with the HAB. On a **scale from 1 to 10** where **1 means Not Very Helpful and 10 means Very Helpful**, how helpful was HAB in enhancing the performance of your organization?

CQ2. Using a **10-point scale** on which **1 means Little to None and 10 means Extensive**, how much of a positive impact did HAB technical assistance and support have on your program?

CQ3. Please use this space for any additional information you would like to provide the HAB regarding its program operations and processes. [Capture verbatim]

Thank you for your time. The HRSA's HIV/AIDS Bureau appreciates your input. If you have any questions or comments about HAB operations or technical assistance at any time, please contact your Project Officer.

Burden Statement: The Health Resources and Service Administration (HRSA) is committed to improving the program management of the Ryan White HIV/AIDS Program. As part of this effort, we are requesting feedback on your experiences with HAB and our technical assistance partners over the past 12 months. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control number for this information collection is 0906-0084 and it is valid until 2/28/2027. This information collection is voluntary. The survey is hosted via a secure server and your responses will remain anonymous. Data will remain private to the extent permitted by the law. Public reporting burden for this collection of information is estimated to average 14 minutes per response, including the time for reviewing instructions, searching existing data sources, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to HRSA Information Collection Clearance Officer, 5600 Fishers Lane, Room 14N39, Rockville, Maryland, 20857 or paperwork@hrsa.gov.
