

Ongoing Generic Information Collections Under the Umbrella Generic Clearance for the Collection of Qualitative Feedback on Agency Service Delivery (0970-0401) – Extension 2024

At the time of this submission (April 2024) the following list of previously approved generic information collections (GenICs) are currently still in use and are included with this submission. The table provides a list of these GenICs that ACF will continue to use, including associated burden and a direct link to the approved materials.

Note: In September 2024 and April 2025, this table was updated to remove GenICs that had changes and are now listed as individual GenICs in the IC list in ROCIS/RegInfo.gov.
