imports, or
exports any controlled substance or who proposes to engage in the
manufacture, distribution, dispensing, importation or exportation
of any
controlled substance shall obtain a registration unless exempted
by law
pursuant to 1301.22 through 1301.26. Except as provided in
paragraph (b)
of this section, only persons actually engaged in such activities
are
required to obtain a registration; related or affiliated persons
who are
not engaged in such activities are not required to be registered.
(For
example, a stockholder or parent corporation of a corporation
manufacturing controlled substances is not required to obtain a
registration.)
(b) As provided in sections 303(f) and 401(h) of the Act (21
U.S.C.
823(f) and 841(h)), it is unlawful for any person who falls within
the
definition of online pharmacy (as set forth in section
102(52)
Act (21 U.S.C. 802(52)) and 1300.04(h) of this chapter) to
deliver,
distribute, or dispense a controlled substance by means of the
Internet if
such person is not validly registered with a modification of such
registration authorizing such activity (unless such person is
exempt from
such modified registration requirement under the Act or this
chapter). The
Act further provides that the Administrator may only issue such
modification of registration to a person who is registered as a
pharmacy
under section 303(f) of the Act (21 U.S.C. 823(f)). Accordingly,
any
pharmacy registered pursuant to 1301.13 of this part that falls
within
the definition of an online pharmacy and proposes to dispense
controlled
substances by means of the Internet must obtain a modification of
its
registration authorizing such activity following the submission of
an
application in accordance with 1301.19 of this part. This
requirement
does not apply to a registered pharmacy that does not fall within
the
definition of an online pharmacy set forth in 1300.04(h). Under
the Act,
persons other than registered pharmacies are not eligible to
obtain such a
modification of registration but remain liable under section
401(h) of the
Act (21 U.S.C. 841(h)) if they deliver, distribute, or dispense a
controlled substance while acting as an online pharmacy without
being
validly registered with a modification authorizing such
activity.
