The entire Rules and Responsibilities Statement reads as follows:

Under penalty of perjury, I declare that I have examined this application, including accompanying statements, and to the best of my knowledge and belief, it is true, correct, and complete. The applicant must immediately notify the TTB official with whom this application is filed of any change in ownership, management, or control of the applicant (in the case of a corporation, any change in the officers, directors, or persons holding 10 percent or more of the corporate stock). The business for which this application is made does not violate the law of the State in which the business will be conducted. In addition, if this application is approved, the applicant will conduct operations within a reasonable period of time and maintain such operations in conformity with Federal law.

I further declare:

That I have read the instructions for this form and that I understand that I may need to file additional documentation before TTB may act on this application;

That an appropriate TTB officer may require additional information to determine if I am entitled to the permit for which I am applying;

That if any information provided on this application changes before I have received from TTB a final determination on this application, I must immediately notify the Director, National Revenue Center;

With respect to any water quality information furnished in connection with this application, that copies of this rider may be furnished to the applicable State Water Quality Agency and Regional Administrator, Environmental Protection Agency;

With respect to applications for Industrial Alcohol User Permits, I understand that any permit issued is subject to the following conditions: (1) that all employees conform to all of the laws of the United States relating to the manufacture, taxation, and control of and traffic in intoxicating liquors and all regulations pursuant to these laws, in force now or later while on the permit premises; (2) that I must pay the tax, with interest and penalties, on all alcohol diverted while being transported to me, and on all alcohol withdrawn, transported, used, or disposed of by me in violation of the laws and regulations, in force now or later; (3) that all persons interested in the business to be conducted under this permit are, under the laws and regulations, qualified to receive the privileges applied for, and (4) that specially denatured and tax-free spirits will be stored and secured in accordance with the requirements of 27CFR, Parts 20 and 22.

I understand that the information supplied by me in connection with this application will be used by TTB to make a determination on the application. Where such disclosure is not prohibited, TTB officers may disclose this information pursuant to the routine uses in [TTB's System of Records Notice \(SORN\)](#).

I understand that if I fail to supply the information requested TTB may delay or deny the issuance of the permit. I understand that TTB is asking for my Employer Identification Number and/or my Social Security Number for identification purposes. If I do not supply the numbers, I understand my application may be delayed.

After reading and accepting the rules and responsibilities, the applicant clicks “Continue,” which leads to the New Applications Wizard, shown below:

The browser's tabs show "OFR - Writing Resources F...", "GPO Style Manual (2016)", "TTB Sharepoint", "TTBweb Home Page", "TTB Internet Site", and "Web Posting Request - E...". The browser's status bar shows "Announcements", "Logged in as: Michael Hoover", "My Record Collections (0)", "Reports (15)", "Account Management", and "Log out".

The main content area of the browser shows a navigation menu with four buttons: "Home", "My Submissions", "Resume Draft", and "Help". Below the navigation menu is a section titled "Application for Manufacturer of Processed Tobacco". This section contains a progress bar with six steps: "1 Mailing address", "2 Operation description", "3 Upload required documents", "4 Declare & acknowledge", "5 Review", and "6". The "2 Operation description" step is currently selected and highlighted in blue.

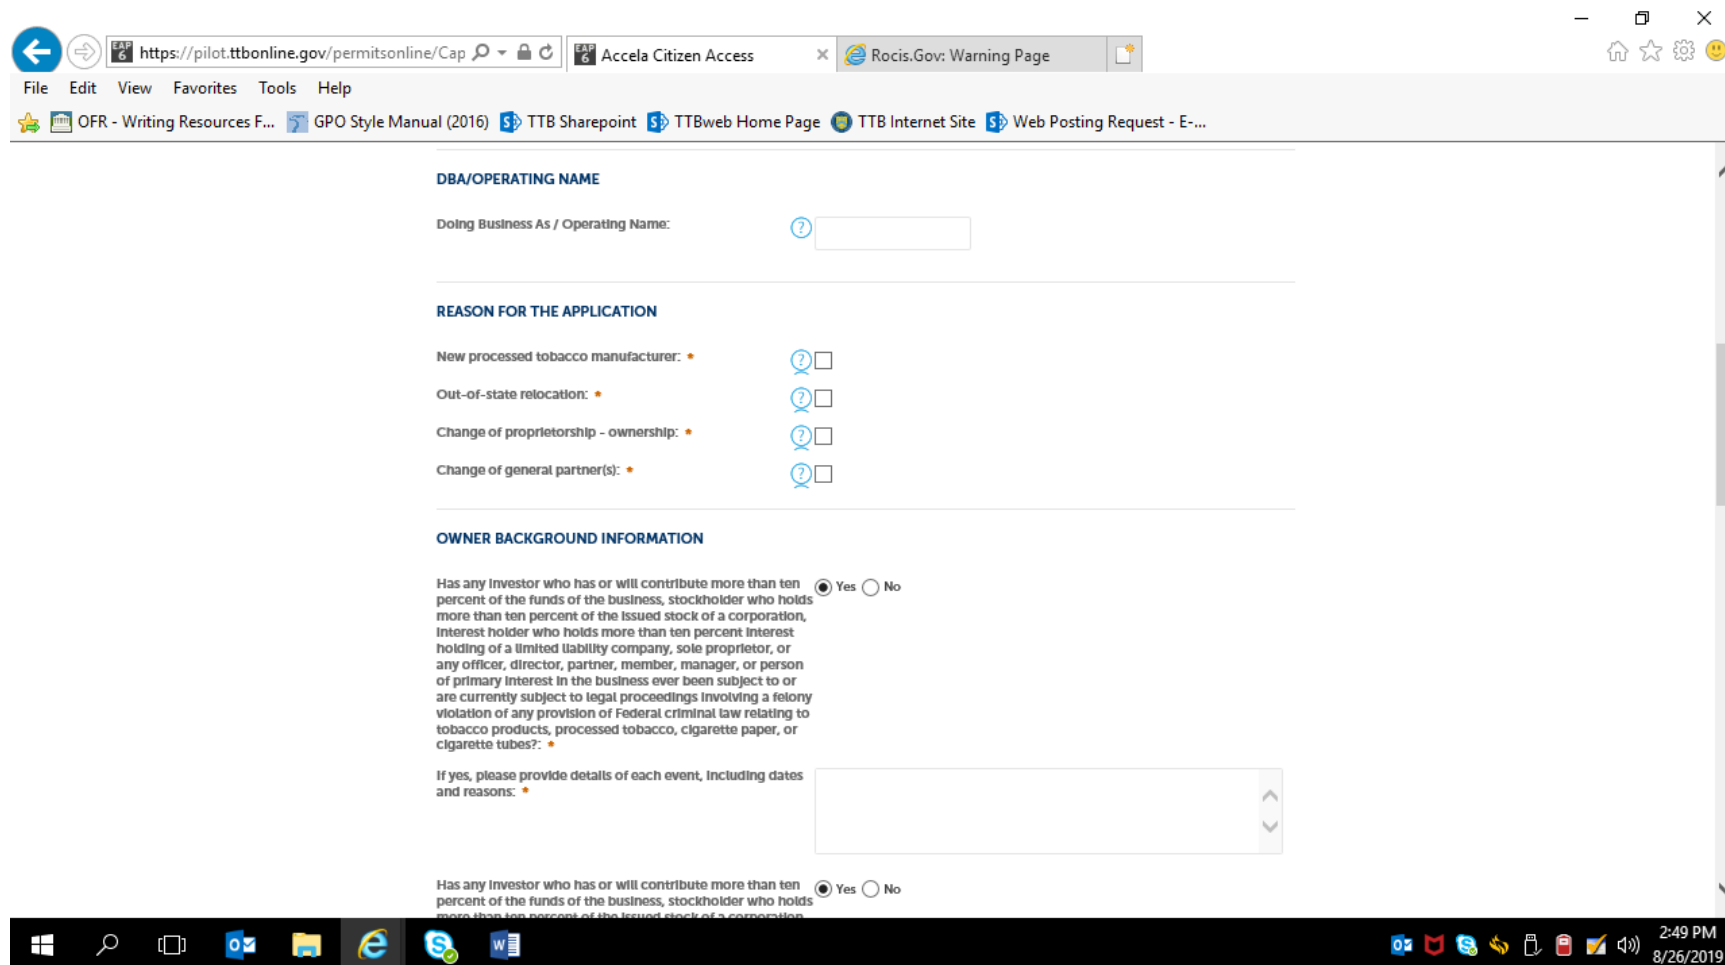

Below the progress bar is a section titled "Step 2: Operation description >>". To the right of this section is a small red asterisk icon with the text "* indicates a required field". Below this section is a sub-section titled "Step 2a".

Under "Step 2a" is a section titled "PROCESSED TOBACCO INFO". This section contains the following text: "The factory premises description for manufacturing processed tobacco should include any physical location or building used for: manufacturing and storing processed tobacco; storing materials, equipment, and supplies related to or used in the manufacturing and storage of processed tobacco; and carrying on activities in connection with the manufacturing and storage of processed tobacco. The premises can consist of more than one building, or portions of buildings, which need not be contiguous or located in the same city, town, village, or state." Below this text is another paragraph: "Please include a diagram identifying each floor or floors, room or rooms, and each building. Identify each building by using a separate street address or designation by letter, number, or any similar designation." Below this paragraph is a text input field with the label "Describe the manufacturer of processed tobacco factory premises: *". The input field is currently empty and has a vertical scrollbar on the right side.

At the bottom of the browser window, the Windows taskbar is visible. It shows several application icons, including the Start button, a search icon, a task view icon, a mail icon, a file explorer icon, a Microsoft Edge icon, a Teams icon, and a Word icon. The system tray on the right side of the taskbar shows the time "2:45 PM" and the date "8/26/2019".
