Appendix A – Teacher Cancellation Low Income (TCLI) Directory Data Collection Form (OMB No. 1845-0077)..... A-1

## Background Information

This guide provides an orientation to the Teacher Cancellation Low Income Directory (TCLI) website and data provision process for those serving as the TCLI contact for their state or territory.

Each July, an email is sent to the state and territory contacts to notify them that the Department of Education (the Department) is now accepting TCLI Directory updates for the current school year.

Effective March 2018, the TCLI Directory transitioned to the Student Loans.gov website, and as of December 2019 all content on StudentLoans.gov became consolidated under the Studentaid.gov website (<https://studentaid.gov/>). The TCLI Directory can be found at [studentaid.gov/tcli](https://studentaid.gov/tcli).

## The TCLI Directory

Under sections 428J and 460 of the Higher Education Act of 1965, as amended, eligibility requirements for teachers to receive loan cancellation or forgiveness under the Federal Perkins Loan (Perkins Loan) Program, the Federal Family Education Loan (FFEL) Program, and the William D. Ford Federal Direct Loan (Direct Loan) Program include that they must teach at a school or educational service agency (ESA) serving low-income families that is listed in the TCLI Directory. In addition, teaching at a low-income school or ESA listed in the TCLI Directory is one of the requirements for satisfying the service obligation under the Teacher Education Assistance for College and Higher Education (TEACH) Grant Program. If a state or territory does not update its list of low-income schools and ESAs, Perkins Loan, FFEL, and Direct Loan borrowers, and TEACH Grant recipients, who teach in the state may not receive federal program benefits to which they may otherwise be entitled.

The Department provides authorized state officials the ability to provide updates to the list of schools and ESAs that serve low-income families at any time.

Instructions explaining how state and territory officials update the TCLI Directory, as well as examples of how the public uses the TCLI Directory, are included in this guide.

We appreciate your efforts to keep the TCLI Directory current so that student borrowers can receive these important benefits.

## Contact Information

We hope this information is helpful to you. If you have additional questions about the TCLI Directory requirements or procedures, you may email your questions to the TCLI mailbox at [TCLI@ed.gov](mailto:TCLI@ed.gov).

## How to Register a New State/Territory Data Provider

In order to provide TCLI data to the Department, an agency must first register and provide contact information using the Teacher Cancellation Low Income Director Data Collection form (OMB No. 1845-0077). A copy of the form is included in Appendix A of this guide.

The person or persons who will provide the agency's TCLI data to FSA must complete, sign, and send a copy of the form to [TCLI@ed.gov](mailto:TCLI@ed.gov). The contact persons will receive a confirmation email that the form has been received.

### Updating the State Contact Info

If your state agency's contact information needs to be updated, please follow the instructions above for registering a data provider.

### Updating/Submitting the TCLI Directory Data

Your state's TCLI Directory must be updated each year with all low-income schools and ESAs for that year. Please note that *the prior year list does not roll over into the new year*.

To submit TCLI data, email the spreadsheet to the TCLI mailbox at [TCLI@ed.gov](mailto:TCLI@ed.gov). Carefully review the next section for guidance about the file format requirements.

You may update existing data or submit new TCLI data to be uploaded for any year, at any time.

**Note:** When providing updates to existing data that has already been uploaded to the website, a new spreadsheet containing ALL schools for the specified year must be provided. The data on the spreadsheet must be modified as needed, and the updated file will overwrite the existing data for that year. *FSA cannot add, edit or delete schools or ESAs individually.*

**Suggested spreadsheet data file naming convention:** In order to maintain clarity in the name of a file and to keep track of updates, we suggest using the following naming convention:  
TCLI-[State]-[Year]\_[mmddyyyy]

**Example:** If the Missouri Department of Education is submitting a TCLI data file for 2022 on February 6, 2023, the .xls spreadsheet file name would be:

TCLI-MO-2022\_02062023.xls

### Formatting TCLI Directory Data for Submission

For the current file format, click on "TCLI Directory Upload Template" on the TCLI website (<https://studentaid.gov/tcli/>), at the bottom of the box labeled "For State and U.S. Territory Education Agency Staff".

The file submitted for upload must contain the same column headers, exactly as they are provided on the template. When using a file that did not originate from the template, FSA recommends copying and pasting the headers from the template directly onto your spreadsheet.

**TCLI Directory File Upload Field Descriptions:**

**Reminder:** When a spreadsheet is submitted to FSA for upload, it must contain all schools for the year. The file will overwrite all existing data for that year. For providing updates and/or additions to a state’s list of schools, modify the data in the file and/or add additional schools before submitting the updated file to FSA.

**How the Public Uses the TCLI Directory**

The TCLI Directory is available to the public on the [StudentAid.gov](https://studentaid.gov) website at <https://studentaid.gov/tcli/>. The public can use the website to search for school and ESAs by state and year, download an XLS file of the TCLI Directory for a selected state and year, and look up the TCLI contact information for their state or territory.

The public display of TCLI data includes the School or ESA name, grade range, school type, location, and year. The percentage of low-income students served is not displayed to the public.

**State Contact Information**

By clicking on the **State Contact Information** link on the TCLI home page, the public can view the listing of all of the state/territory contacts for the TCLI Directory.

**Note:** Only the Primary Contact, as provided on the Data Provider Registration Form, will be listed on the StudentLoans.gov website for public viewing. Secondary Contact information will not be listed.

**Directory Search**

By clicking on the **Search** button under the Directory Search option on the home page, the public can search for schools and ESAs listed in the TCLI Directory by selecting a state and year. They may also attempt to narrow their search by entering a school or ESA name or location, however, results will not return unless the criteria entered is an exact match.

The schools and ESAs are listed in alphabetical order.

**Export to XLS**

Public users can choose to export the results of their TCLI Directory search to an XLS spreadsheet.
