Subject: NonSubstantive Change Request – American Indian and Alaska Natives Facility Condition, Location, and Ownership Survey (OMB #0970-0534)

This memo requests approval of nonsubstantive changes to the approved information collection, American Indian and Alaska Natives Facility Condition, Location, and Ownership Survey (OMB #0970-0534).

Background

Approval for a new version of the American Indian and Alaska Natives Facility Condition, Location, and Ownership Survey was approved in December 2025. In response to public comment, edits were made to the collection, including adjustments to the estimated time per response. When the revised materials were uploaded to ROCIS the estimated time per response entered in ROCIS was not updated.

Overview of Requested Changes

ACF would like to update ROCIS so that the estimated time per response entered in ROCIS matches the approved supporting statement and survey document.
