I-140G: Overview

Last Updated

I-140G, Immigrant Petition for the Gold Card Program

Form I-140G is the first step in the Gold Card process. Once the petition is approved and an immigrant visa number is available in the applicable employment-based classification, the principal beneficiary (and any accompanying spouse or children, as defined under the Immigration and Nationality Act (INA), included in the petition) must complete immigrant visa processing at a U.S. embassy or consulate abroad before being admitted into the United States as a lawful permanent resident.

1 Before You Start Your Application

Eligibility

The petition must establish that you have sufficient funds to make the required unrestricted gift in U.S. currency to the U.S. Department of Commerce, and that all funds to be used for the gift have been lawfully obtained and will be transferred to the Department of Commerce in compliance with U.S. law.

The Gold Card program provides eligibility for two separate employment-based immigrant visa classifications: first preference alien with extraordinary ability; and second preference alien of exceptional ability who is seeking a National Interest Waiver (NIW).

The wait for an immigrant visa may differ between the first preference and the second preference classifications. Please refer to the U.S. Department of State's Visa Bulletin to see the availability of immigrant visas for each classification.

USCIS will adjudicate your petition based on the evidence provided and U.S. Department of State may assign either classification at the time of immigration visa processing.

Evidence

When you file your petition, you must submit all requested evidence and supporting documents. Evidence must be submitted to verify that each funding source for the fee and unrestricted gift used for the Gold Card program was acquired in accordance with U.S. law and that each international wire transfer to the Department of Commerce will be conducted in accordance with U.S. law.

After the immigrant visa interview at a U.S. embassy or consulate abroad, if all other eligibility requirements have been met, you will receive instructions to wire the total unrestricted gift amount to the Department of Commerce prior to the issuance of the immigrant visa. Wire instructions will be sent to the self-petitioner or the corporate petitioner's authorized official. After the total gift amount is transferred, you will be required to upload evidence of the completed transfer into the USCIS online account associated with this petition. The types of acceptable evidence for the transfer will be provided with the wire instructions.

Fee

The fee for Form I-140G is \$15,000 per person.

This fee is submitted to the Department of Commerce in accordance with the Department's instructions and will not be refunded regardless of the action taken on your petition or how long it takes to issue a decision. By continuing this transaction, you acknowledge that you must submit fees in the exact amount and that you are paying the fees for a government service. This \$15,000 fee is in addition to the million(s) in dollars in unrestricted gift amount(s) required later in the process for each.

Note: The gift amount is separate from the required fee.

Penalties

If you knowingly and willfully falsify or conceal a material fact or submit a false document with your Form I-140G, we will deny your Form I-140G and may deny any other immigration benefit. In addition, you will face severe penalties provided by law and may be subject to criminal prosecution.

Documents you may need

We will automatically determine which documents you should provide us as you fill out your petition. At the time of filing, you must submit all evidence and supporting documentation listed.

Biometric services appointment

USCIS may require you and any beneficiary (including the spouse or child of the principal beneficiary) of this petition to appear for an interview or provide biometrics (fingerprints, photograph, and/or signature) at any time to verify your identity, obtain additional information, and conduct background and security checks, including a check of criminal history records maintained by the Federal Bureau of Investigation (FBI), before making a decision on your application or petition. If we determine that a biometric services appointment is necessary, we will send you an appointment notice with the date, time, and location of your appointment. If you are currently overseas, your notice will instruct you to contact a U.S. Embassy, U.S. Consulate, or USCIS office outside the United States to schedule an appointment.

At your biometrics appointment, you must sign an oath reaffirming that:

- You provided or authorized all information in the petition;
- You reviewed and understood all of the information contained in, and submitted with, your petition; and
- All of this information was complete, true, and correct at the time of filing.

Note: If you do not attend your biometric services appointment, we may deny your petition.

Disability Accommodations/Modifications

To request a disability accommodation/modification, follow the instructions on your appointment notice or on the [Disability Accommodations for the Public page](#).

Translations

If you submit a document with information in a foreign language, you must also submit a full English translation. The translator must sign a certification that the English language translation is complete and accurate, and that he or she is competent to translate from the foreign language into English. The certification must also include the translator's signature, printed name, the signature date, and the translator's contact information.

Address Change

A petitioner who is not a U.S. citizen must notify USCIS of his or her new address within 10 days of moving from his or her previous residence. For information on filing a change of address, go to the USCIS website at uscis.gov/addresschange or call the USCIS Contact Center.

USCIS Contact Center

For assistance with your I-140G petition, please log in to your USCIS Online Account at myaccount.uscis.gov/sign-in and send a secure message about your issue.

2 After You Submit Your Application

Track your case online

After you submit your form, you can track its status through your USCIS account. Sign into your account often to check your case status and read any important messages from USCIS.

Respond to requests for information

USCIS may request that you provide more information or evidence to support your petition. We may also request that you provide the originals of any copies you submit. If we request an original document from you, we will return it to you after USCIS determines it no longer needs the original.

Note: If you submit original documents when they are not required or requested, **USCIS may destroy them after we receive them.**

Requests for interview

We may request that you appear in person for an interview based on your petition. During your interview, USCIS may require you to provide your biometrics to verify your identity and/or update background and security checks.

Initial processing

Once USCIS accepts your petition, we will check it for completeness. If you do not properly complete this petition, you will not establish a basis for your eligibility and we may reject or deny your petition.

Receive your decision

The decision on Form I-140G involves a determination of whether you have established eligibility for the immigration benefit you are seeking. USCIS will notify you of the decision.

What is the principal beneficiary's receipt number?

Enter the receipt number provided on the Account Access Notice for the Gold Card filing for this beneficiary.

Provide a 13-character receipt number, beginning with 3 capitalized letters followed by 10 digits.

The A-Number is an immigration file number provided by U.S. immigration officials. We use an A-Number to identify your immigration records. If the principal beneficiary does not have an A-Number, USCIS may assign one.

I do not have or know the A-Number.

Provide a 7, 8, or 9-digit number. If the A-Number is fewer than 9 digits, the system will automatically add zero(s) after the "A" and before the first digit so there is a total of 9 digits, for example: A-001234567.

What is the principal beneficiary's U.S. Social Security number (SSN)?

I do not have or know the U.S. Social Security number.

Provide a 9-digit Social Security number.

What is the spouse's sex?

Indicate whether this individual is male or female as provided on their birth certificate issued at the time of birth or issued closest to the time of birth or in secondary evidence provided to USCIS, if applicable.

- Male
- Female

What is the spouse's A-Number?

The A-Number is an immigration file number provided by U.S. immigration officials. We use an A-Number to identify your immigration records. It is a 7 to 9-digit number that begins with an "A" and can be found on correspondence or cards you have received from DHS, USCIS, or on immigration court records (for example, Form I-797, Receipt Notice; an Employment Authorization Document; a Permanent Resident Card). If you do not have an A-Number, USCIS may assign one to you.

- I do not have or know the A-Number.

Provide a 7, 8, or 9-digit number. If the A-Number is fewer than 9 digits, the system will automatically add zero(s) after the "A" and before the first digit so there is a total of 9 digits, for example: A-001234567.

What is the spouse's U.S. Social Security number (SSN)?

- I do not have or know the U.S. Social Security number.

Provide a 9-digit Social Security number.
